

2025 Fully-Priced Buying Guide

Boat Show Edition

Are You All-In? CANADA'S ONLY FULLY-PRICED CATALOGUE, SINCE '87.

In a world where we are bombarded with fees, surcharges and extras, wouldn't it be nice if a company would just tell us what it's going to cost up front? Legend Boats is that company. Our prices are All-In!

That's right! No administration fees. No hidden freight fees. No rigging fees. Since 1987, our customers have enjoyed having full package pricing at their fingertips so

they could figure out what their perfect boat or pontoon boat was going to cost right down to the penny. Now, there's no more figuring out. With one simple up-front price, you choose your motor and any options you want, then simply add the taxes. We would have gotten rid of those too but we thought it may have been frowned upon. It really couldn't get any more simple, open, honest or transparent, and we feel that you will appreciate our All-In Pricing.

*We only print one version of our catalogue for all of Canada. Customers outside of Ontario and Quebec will have a small fee for freight. Prices are listed as of: 01/01/2025, prices are subject to change without notice. For details, visit us at legendboats.com for your local, ALL-IN, No-Fee Price including current promotions.

We do things a little differently.

Is Legend Canadian?

Yes. We are a Canadian company. We live and play where you do. We understand boating in the unique Canadian wilderness. It's different here, and that's why each and every model is designed by Canadians and built for Canadians. From thicker aluminum to full stand-up tops, we make sure that Mother Nature is no match for your Legend.

Are Legend boats built in Canada?

Yes and No. Our product developers seek out quality manufacturers throughout North America who can produce in the most cost effective way. By outsourcing component manufacturing and then performing all final assembly, sales, service, and warranty right here in Canada, we ensure that the end product is fit for the Great Canadian outdoors.

Are the printed catalogue prices MSRP?

No. The printed price is our hassle-free, lowest price. We provide it up front, so there's no need for uncomfortable negotiations. To top it off, aside from a small variance in freight, our low prices are the same across Canada. Now you can make an informed, easy, and no-pressure decision in the comfort of your own home.

It seems like everyone's warranty is pretty much the same. Is that the case?

Well, at first glance it appears that most companies are offering some sort of lifetime warranty, and it's easy to assume that all warranties are the same, but the devil is in the details. By details, we're talking about the fine print. Our 6 year WOWranty combined with our Lifetime hull warranties give you the absolute best warranty coverage, bar none. Not only do we cover more stuff for longer, but the best part is that everything is taken care of right here in Canada.

Someone told me Legend boats are underpowered. Is that true?

No. You can actually power your boat with the engine of your choice. Each Legend boat model is designed and packaged with a Mercury motor large enough to get you and a friend on the water to experience the boating lifestyle with minimal investment. We understand that everyone's boating needs are different, and that the packaged motor may not suit your needs. That's why we make it easy to choose the perfect Mercury outboard to power all of your on-water activities. So, whether you want to troll all day, bring the kids tubing, cruise with your family or pull two water skiers, we'll help you select the engine that's just right.

Why do you only package your boats with Mercury outboards?

We partner exclusively with Mercury because of their proven quality, value, reliability, service and features. With the large number of clients we help onto the water each year in Canada, other outboard manufacturers would love us to package with their brand. Mercury appreciates our business so much, they offer us exclusive savings that we simply pass on to you. That's how we package with the oldest, largest, number one outboard engine brand at such an incredible price. On top of a great price, by purchasing a complete custom package you'll enjoy consistent performance and one-location servicing.

We give you the most standard equipment.

We've outfitted our boats with more equipment for less. Things that you would have to pay thousands of dollars extra for with other brands are simply part of our value-packed models. Many of our Legend packages have standard features like Dura-deck vinyl floors, automatic bilge pumps, and a bunch of other great stuff that is optional in other brands. When it comes to value, we're proud to say that nobody compares. We have more equipment for less than any other brand!

You claim your quality is good but your prices are affordable. How is that possible?

You get what you pay for right? Well in most cases, yes. But at Legend, we never sacrifice quality in order to reduce cost. Our use of quality brand name products in our packages such as Shoreland'r trailers, Minn Kota and Garmin trolling motors and Mercury outboards - the largest brands in boating - speak for themselves. To keep prices low, we build fewer models in higher volumes and package each model with the same popular features. By purchasing thousands of each component, such as full stand-up tops, fish finders and GPS', we can offer you unbelievably high quality at affordable prices. That's how we do it.

Why doesn't everyone put pricing in their catalogues?

That's a great question. We don't know. It could be because it takes a lot more work and effort to include all of the details required when you're sharing a price. Or, perhaps nobody else does it because they have something to hide. But we're only guessing. All we know is that we're so confident that we offer the absolute best value in Canada that we publish our complete, hassle-free, all-in pricing for all to see. You can find our prices in our full line brochure, on our extensive website and in all of our advertisements. We even print the pricing of our most popular options so you can "build" your own Legend. Nothing is hidden and it's all in Canadian dollars. We've done the work for you and given you our lowest price right up front.

2025 XT Quick Guide

Available in 17', 18', 19' and 20'

With our versatile design, you can seamlessly transition from a relaxing day on the water with your loved ones to an exciting fishing adventure. The XT combines durability, comfort, and functionality, ensuring that every outing is enjoyable for the whole family. Choose between one of our 4 XT sizes for your best fit. For even more thrills on the water, add the Sport Package for enhanced versatility, comfort, and family-friendly features.

Chilli Pepper Red and stealth grey diamond embossed furniture.

Sapphire Blue and cognac diamond embossed furniture.

XT Surprisingly Included Equipment

PREFERRED EQUIPMENT PACKAGE

Dual purpose innovation.

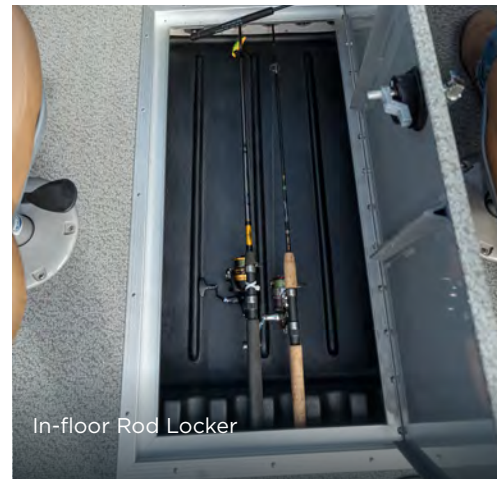

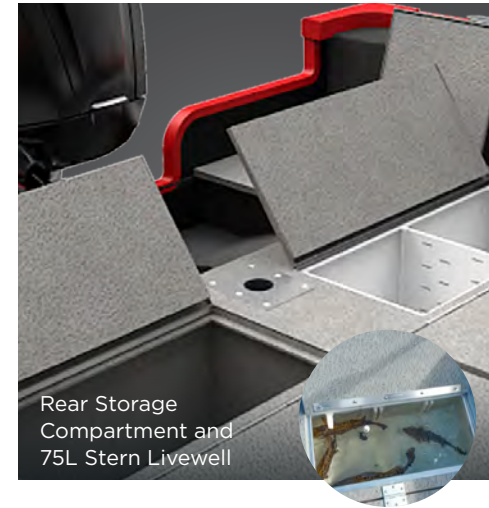

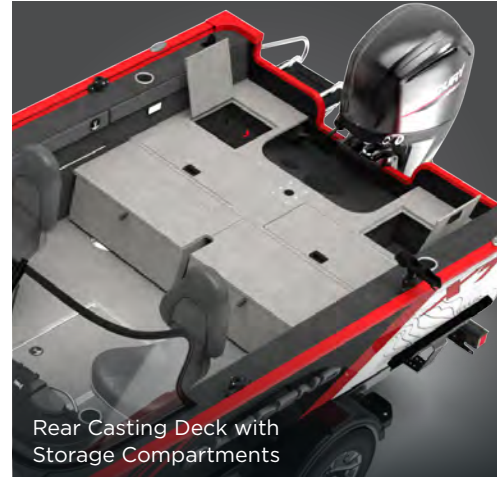

The All-New 'Frunk' (Front Trunk)
Whether it's wide open for easy walk-in bow access or securely closed to stash your gear, the Frunk gives you the extra space you need to make every trip effortless. It's storage, your way.

Everything in its place, and then some.

The XT makes it easy to stay organized and ready for anything. An aerated stern livewell keeps your catch fresh, while the rear casting deck with storage compartments ensures your gear is always within reach. Add in the in-floor rod locker, our innovative Frunk and spacious bow storage, and you've got room for everything—and then some.

Railmountz Integrated Gunnel System (RIGS) **Versatile. Secure. Unlimited Possibilities.**

Whether you're an angling ace or a watersports warrior, our track system adapts effortlessly to your needs. With unparalleled versatility and ease of use, you can securely attach and adjust Railmountz accessories on-the-fly, ensuring your every adventure is optimized for your needs—it's your vessel, your way.

A pair of rod holders are included for convenience. Other Railmountz accessories can be added. Be sure to check them all out!

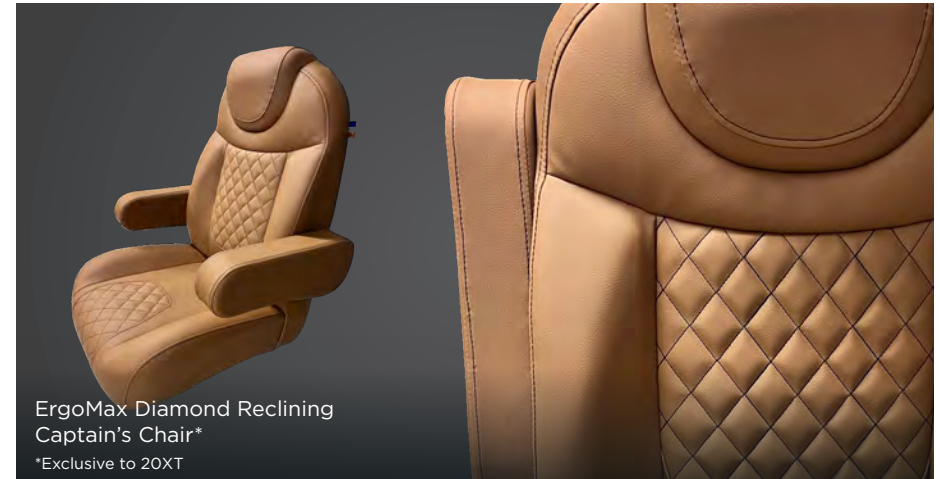

The Full Stand-Up Top with a forward-facing sport bimini

combines modern style with ultimate protection, keeping you comfortable, warm, and dry in any weather. Designed for versatility and performance, it's your perfect companion for every on-water adventure, no matter what Mother Nature has in store. The all-new forward-facing sport bimini seamlessly integrates with the Railmountz Integrated Gunnel System, making it even easier to adjust or remove at any time.

Escape to the water

Enjoy the added luxury of the ErgoMax Reclining Captain's Chair, designed for ultimate support and relaxation on the 20XT. From the versatile 4-on-the-floor seating to the plush bow deck backrest, every detail is crafted for comfort. Bow bolsters and cushions provide the perfect spot to unwind, while the luxury diamond-patterned upholstery adds a touch of elegance to every adventure.

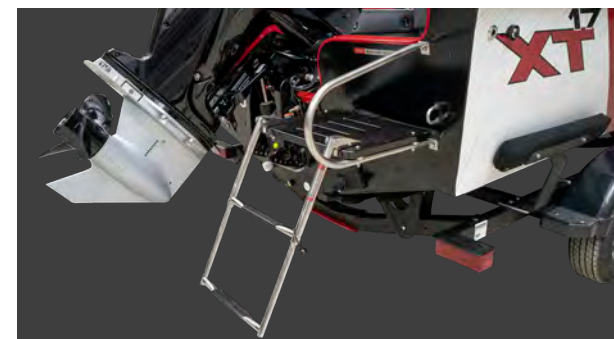

**Ready to cast,
ready to relax.**

**The EZ-Flip 50/50 Split Extenda-Deck
Converta-Bench and Swim Platform**

Transform your casting deck into a dual-seat bench in seconds—perfect for fishing, cruising, or relaxing by the water. Paired with the rear swim platform, it's the ultimate setup for fun and adventure. So simple, even the kids can do it!

Equipped with the
HELIX 7 CHIRP MEGA DI GPS G4N

Discover the water like never before.

Features MEGA Down Imaging, Dual Spectrum CHIRP Sonar, AutoChart Live, Internal GPS and Humminbird Basemap built-in. An upgraded high-definition 7" display will give you the best view of the many pre-loaded split screen view options so that you'll never miss a fish.

Bluetooth, USB, and AUX connectivity

Backlit Tachometer and Fuel Gauges

Illuminated Switches

Deluxe passenger console with lockable Integrated Storage + Cool Box, cup holder and small tray

Cool Box to fit refreshments and ice packs

The Sports Package

Add the Sports Package \$2,499 to any XT model to create the ultimate Family Fish and ski boat. The XT Sports Package includes a full Convertible Bow Cushion Set, a Bow Deck Backrest, a Removable Solid Brushed Aluminum Ski Pylon, Colour-matched Sport Trailer graphics and Night View Safety Mirrors with Integrated Docking and Boarding Lights.

Sport Package Trailer
with colour-matched graphics

Removable Solid Brushed Aluminum Ski Pylon: Built for Big Air and Smooth Rides.

Strong, reliable, and built for adventure—the XT's Ski Pylon is your ultimate watersports partner, ready to tackle every thrill with ease.

NightView Safety Mirrors with integrated lights: Keep an eye on the action.

Durable, adjustable, and always on duty—Railmountz Safety Mirrors keep you connected to the action, while integrated docking and boarding lights ensure visibility and ease, even after the sun sets.

Bow Cushions: Turn a Great Seat Into the Best Spot on the Water.

Enhancing the XT's bow lounge, these bow cushions pair perfectly with the included bolsters to create a cozy, wrap-around seating experience, making the front of the boat everyone's favorite hangout.

Bow Lounging Done Right: Where Comfort and Adventure Meet.

The XT's Bow Deck Backrest creates the perfect front-row seat to your next adventure. From sunbathing to extra seating for guests, it's a space designed to make every moment on the water feel just right.

1 ErgoMax 360° Captain's Chair

Built to Last. Leakproof for Life. Guaranteed.

Super-Thick .100 Gauge One-Piece Seamless Hull

With this seamless hull, your Legend boat will last longer with no potential for centre-seam leaks. While our .100 Gauge hulls provide unmatched thickness, our use of Legend's H34 PerfectFlex aluminum provides the best combination of flexibility and strength.

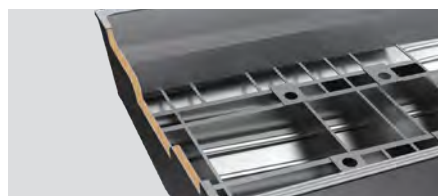

Torsion Beam Energy Transfer + Intelliflex Hull

Provides your boat with necessary flexing, while remaining light and strong. Thanks to the built-in torsion beam energy system, the XT's hull flexes, adapts, and dissipates wave energy evenly throughout the hull, preventing problem areas from forming over time.

Quiet Core Injected Foam

Our inject closed cell foam helps with sound deadening and buoyancy, adding to the overall luxury and performance of our boats. Not only will every Legend float even when filled with water, the injected foam creates a solid sub-floor bond that strengthens the boat and provides a silky smooth and quiet ride. Foam is injected halfway up the side-wall for extreme strength.

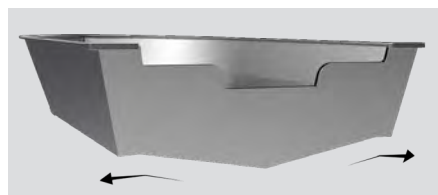

Reinforced Transom

A strong transom ensures the stability of your boat, which is vital for safety. The XT uses a 1.5" thick plywood core sandwiched between aluminum panels. This heavy-duty transom provides all the stability and control you need.

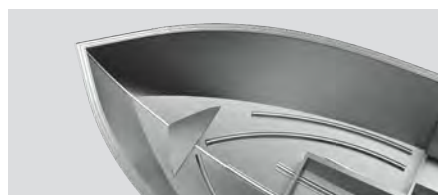

Ridge-line offers 5X Protection on Hull Seams

Holding each thick hull piece is our "Ridge-line" locking center section. The center extrusion is over 1" thick, providing an extremely solid 1.054 gauge impact zone - 5 times the protection of merely double plated hulls.

Reverse Angled Chines

Bottom chines significantly improve the stability of your boat. They help reduce roll and sway, ensuring that you have a steadier and more comfortable ride. Reverse angled chines also reduce spray by deflecting water away from the hull.

Reinforced Bow Ribs

Extra strong bow support reinforced with .100 gauge aluminum bow ribs that eliminate a common weak area found in the front of most boats.

6-YEAR WOWRANTY

A warranty that makes you say wow!

Sure we've always had the industry's best warranties on the structural parts of our boats, like the welds, main riveted seams, pontoon tubes, decks and transoms, but what about everything else in your boat? Well, most companies offer a 1 year warranty on the other stuff and some offer up to three years. Although this is very respectable, we figured we'd double that. Legend's 6 Year WOWranty covers most other components for 6 long years. That gives you a lot of worry-free, quality, memory makin' time.

*For more details, visit
www.legendboats.com/wowranty

3-Year Mercury Warranty

Every Mercury 4-Stroke outboard is backed by a 3-year standard limited warranty to give you peace of mind. Ask us about Mercury Product Protection to extend your Mercury Factory Warranty for up to 8 years.*

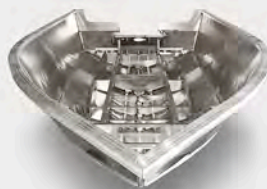

Lifetime Floor Warranty

A thicker floor means a stronger boat. With 7 layers, of marine grade plywood, each individually-treated, we can offer a lifetime warranty against rotting.*

Legend Glide-On 5+1 Year Trailer Warranty

Every Legend Glide-On trailer by Shoreland'r is backed by a 5 year frame warranty and 1-year complete tongue to tail light warranty.*

All-Welded Series Leakproof For Life Warranty

Every Legend All-Welded model carries our exciting and industry-leading Leakproof for Life Warranty. It is remarkably simple. It covers the entire structure of the hull against leaks through the hull for as long as you own the boat. In fact it's the kind of warranty you won't find on any other aluminum boat. Plus it is transferable, giving the second owner up to 10 years of protection.*

Legend ProTech 5+1 Year Canvas Warranty

Legend ProTech All-Synthetic Tear and Mildew-Resistant Material is backed by a 5 Year Warranty and guaranteed not to rot or fade for five years. Stitching, zippers, seams and other top components are covered for 1 year.*

High-Quality Boats Deserve High-Quality Trailers

Legend Glide-On ShoreArm'r Black
Powder Coated Trailer

UPGRADE AVAILABLE:
Legend Galvanized Glide-On Trailer

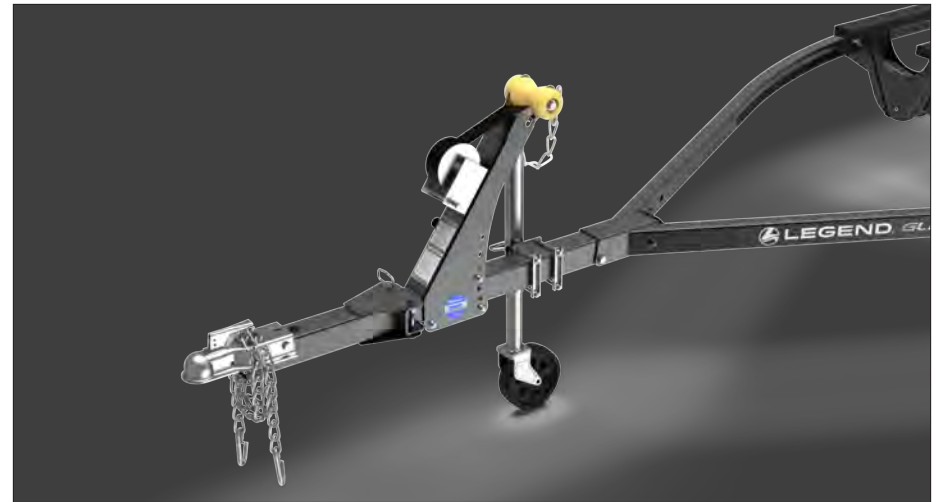

Welded tubular steel frame with contoured padded cross members and lower axle

Made with strong, clean construction—the best frame in the industry. The boat sits lower, providing a more stable centre of gravity which allows for launching and loading in shallower water.

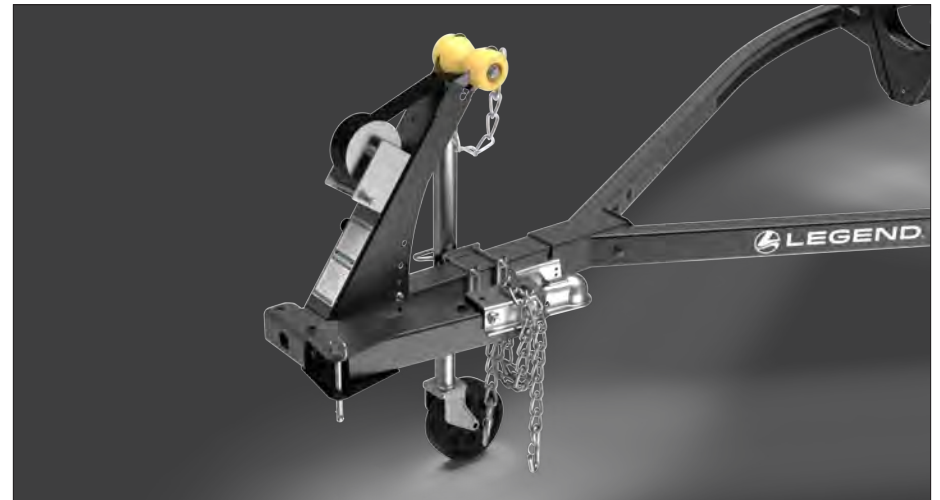

Self-centering carpeted bunk design

Launching and loading are effortless. The boat loads straight, stops easily, and is supported over its full length for even weight distribution.

Reverse angled winch stand with oversized rubber roller

Prevents unwanted forward movement of the boat during sudden stopping. The roller safely stops the boat during loading and holds the bow in place during transport.

Space-saving trailer swing tongue

Reduces trailer length for easier storage and maneuverability, making it more convenient to park and store your boat.

XT Must-Haves:

Bow to Stern Cover

17' + 18' **\$1,299** | 19' + 20' **\$1,449**

Our custom-fit bow to stern mooring cover provides complete protection for your Legend boat. Protect your investment and keep your boat looking new.

(Not for winter storage)

Quick and Easy Ratchet System

Just slide the cover over top of your boat, tighten up the ratchet and you're done. It's that easy!

Multi-vent Air Circulation System

Vents humidity to let your boat dry quickly.

*Installation Extra. See Dealer for details.

Pro Seat **\$299**

Allows for excellent stand-up casting positions. Includes: Pro Seat, auto-locking seat mount and extra-long 25" post.

Freight Charges by Zone.

Zone	ON, QC	MB, NB, PE, NS	SK	AB	BC	NL
Boat Package	No Fee	\$1,175	\$1,400	\$2,075	\$2,400	\$3,500

No Fee Setup and Orientation

All of the components of your boat, motor, and trailer package have been specially chosen for compatibility. The professionals at your authorized Legend Dealership will help you select the proper motor and options for your package. They will then prepare your package to ensure proper and worry-free operation.

Side console and full windshield models:

The setup includes the following items: control box, shift cables, starting battery, aluminum propeller, outboard installation and set-up. Your dealer will prepare your package and give you a full orientation to ensure trouble-free boating from day one.

* Freight charges outside of Zone 1 (Ontario and Quebec), licenses, and taxes are extra on all prices. Delivery is available at an additional cost. Payments are calculated with licenses, bank registration charges, and taxes as your down-payment at 8.99% over 1,040 weeks for amounts \$23,000 and higher, 9.99% over 780 weeks for amounts between \$10,000 and \$22,999, and 9.99% over 364 weeks for amounts less than \$10,000 (at time of printing). All financing is OAC. Payments will vary by province. All Choose your power prices are in addition and only available with the purchase of the specific package they are listed with; they are not stand alone motor prices. Towing weights are approximate and are calculated based on a full tank of fuel and 200 pounds for batteries and gear. Speed tests were done with 2 persons, 50 pounds of gear and proper weight distribution. Actual performance may vary. Prices, rates and specifications are subject to change or error. Pictures may show options. Ask for complete details. All illustrations, photographs and specifications in this catalogue are based on the latest product information. See actual boat for complete accuracy. Legend reserves the right to make changes at any time, without notice, in prices, colours, materials, equipment, specifications and models, and to discontinue models or equipment. For information on accessories, contact your local Legend dealer.

Please refer to your provincial laws regarding trailer brakes and ensure that your boat package and tow vehicle comply with the regulations in the provinces you intend to travel in. Brakes may be required in certain circumstances and can be purchased as an option or your trailer model can be upgraded before delivery if brakes are not available on certain trailers. It is your sole responsibility to ensure you comply with all provincial brake requirements for vehicles and also that you always operate your tow vehicle safely. Legend Boats accepts no responsibility with regards to provincial compliance.

At legendboats.com, you'll find a fully-priced electronic version of our catalogue as well as additional pictures and special offers. Always distribute passengers and cargo evenly, wear a PFD and follow the rules for safe boating. Visit: www.tc.gc.ca/boatingsafety

2025 Fully-Priced Buying Guide

Boat Show Edition

XF

Are You All-In? CANADA'S ONLY FULLY-PRICED CATALOGUE, SINCE '87.

In a world where we are bombarded with fees, surcharges and extras, wouldn't it be nice if a company would just tell us what it's going to cost up front? Legend Boats is that company. Our prices are All-In!

That's right! No administration fees. No hidden freight fees. No rigging fees. Since 1987, our customers have enjoyed having full package pricing at their fingertips so

they could figure out what their perfect boat or pontoon boat was going to cost right down to the penny. Now, there's no more figuring out. With one simple up-front price, you choose your motor and any options you want, then simply add the taxes. We would have gotten rid of those too but we thought it may have been frowned upon. It really couldn't get any more simple, open, honest or transparent, and we feel that you will appreciate our All-In Pricing.

*We only print one version of our catalogue for all of Canada. Customers outside of Ontario and Quebec will have a small fee for freight. Prices are listed as of: 01/01/2025, prices are subject to change without notice. For details, visit us at legendboats.com for your local, ALL-IN, No-Fee Price including current promotions.

We do things a little differently.

Is Legend Canadian?

Yes. We are a Canadian company. We live and play where you do. We understand boating in the unique Canadian wilderness. It's different here, and that's why each and every model is designed by Canadians and built for Canadians. From thicker aluminum to full stand-up tops, we make sure that Mother Nature is no match for your Legend.

Are Legend boats built in Canada?

Yes and No. Our product developers seek out quality manufacturers throughout North America who can produce in the most cost effective way. By outsourcing component manufacturing and then performing all final assembly, sales, service, and warranty right here in Canada, we ensure that the end product is fit for the Great Canadian outdoors.

Are the printed catalogue prices MSRP?

No. The printed price is our hassle-free, lowest price. We provide it up front, so there's no need for uncomfortable negotiations. To top it off, aside from a small variance in freight, our low prices are the same across Canada. Now you can make an informed, easy, and no-pressure decision in the comfort of your own home.

It seems like everyone's warranty is pretty much the same. Is that the case?

Well, at first glance it appears that most companies are offering some sort of lifetime warranty, and it's easy to assume that all warranties are the same, but the devil is in the details. By details, we're talking about the fine print. Our 6 year WOWranty combined with our Lifetime hull warranties give you the absolute best warranty coverage, bar none. Not only do we cover more stuff for longer, but the best part is that everything is taken care of right here in Canada.

Someone told me Legend boats are underpowered. Is that true?

No. You can actually power your boat with the engine of your choice. Each Legend boat model is designed and packaged with a Mercury motor large enough to get you and a friend on the water to experience the boating lifestyle with minimal investment. We understand that everyone's boating needs are different, and that the packaged motor may not suit your needs. That's why we make it easy to choose the perfect Mercury outboard to power all of your on-water activities. So, whether you want to troll all day, bring the kids tubing, cruise with your family or pull two water skiers, we'll help you select the engine that's just right.

Why do you only package your boats with Mercury outboards?

We partner exclusively with Mercury because of their proven quality, value, reliability, service and features. With the large number of clients we help onto the water each year in Canada, other outboard manufacturers would love us to package with their brand. Mercury appreciates our business so much, they offer us exclusive savings that we simply pass on to you. That's how we package with the oldest, largest, number one outboard engine brand at such an incredible price. On top of a great price, by purchasing a complete custom package you'll enjoy consistent performance and one-location servicing.

We give you the most standard equipment.

We've outfitted our boats with more equipment for less. Things that you would have to pay thousands of dollars extra for with other brands are simply part of our value-packed models. Many of our Legend packages have standard features like Dura-deck vinyl floors, automatic bilge pumps, and a bunch of other great stuff that is optional in other brands. When it comes to value, we're proud to say that nobody compares. We have more equipment for less than any other brand!

You claim your quality is good but your prices are affordable. How is that possible?

You get what you pay for right? Well in most cases, yes. But at Legend, we never sacrifice quality in order to reduce cost. Our use of quality brand name products in our packages such as Shoreland'r trailers, Minn Kota and Garmin trolling motors and Mercury outboards - the largest brands in boating - speak for themselves. To keep prices low, we build fewer models in higher volumes and package each model with the same popular features. By purchasing thousands of each component, such as full stand-up tops, fish finders and GPS', we can offer you unbelievably high quality at affordable prices. That's how we do it.

Why doesn't everyone put pricing in their catalogues?

That's a great question. We don't know. It could be because it takes a lot more work and effort to include all of the details required when you're sharing a price. Or, perhaps nobody else does it because they have something to hide. But we're only guessing. All we know is that we're so confident that we offer the absolute best value in Canada that we publish our complete, hassle-free, all-In pricing for all to see. You can find our prices in our full line brochure, on our extensive website and in all of our advertisements. We even print the pricing of our most popular options so you can "build" your own Legend. Nothing is hidden and it's all in Canadian dollars. We've done the work for you and given you our lowest price right up front.

2025 XF Quick Guide

Available in 16' and 18'

Moonshot Green and Tangerine
Orange with Steel Grey furniture

XF Features

FULL WINDSHIELD OR SIDE CONSOLE.

SAME LEGENDARY BOAT. TWO WAYS TO MAKE IT YOURS.

Built to Last. Leakproof for Life. Guaranteed.

Super-Thick .100 Gauge One-Piece Seamless Hull

With this seamless hull, your Legend boat will last longer with no potential for centre-seam leaks. While our .100 Gauge hulls provide unmatched thickness, our use of Legend's H34 PerfectFlex aluminum provides the best combination of flexibility and strength.

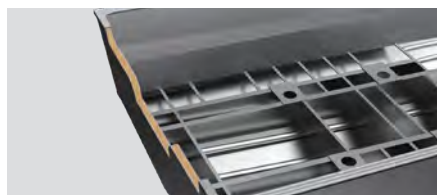

Torsion Beam Energy Transfer + Intelliflex Hull

Provides your boat with necessary flexing, while remaining light and strong. Thanks to the built-in torsion beam energy system, the XF's hull flexes, adapts, and dissipates wave energy evenly throughout the hull, preventing problem areas from forming over time.

Quiet Core Injected Foam

Our spray foamed hulls help with sound deadening and buoyancy, adding to the overall luxury and performance of our boats. Not only will every Legend float even when filled with water, the injected foam creates a solid sub-floor bond that strengthens the boat and provides a silky smooth and quiet ride. Foam is injected halfway up the side-wall for extreme strength.

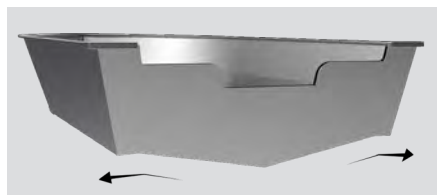

Reinforced Transom

A strong transom ensures the stability of your boat, which is vital for safety. The XF uses a 1.5" thick plywood core sandwiched between aluminum panels. This heavy-duty transom provides all the stability and control you need.

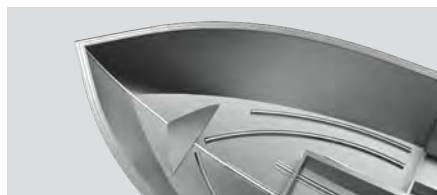

Ridge-line offers 5X Protection on Hull Seams

Holding each thick hull piece is our "Ridge-line" locking center section. The center extrusion is over 1" thick, providing an extremely solid 1.054 gauge impact zone - 5 times the protection of merely double plated hulls.

Reverse Angled Chines

Bottom chines significantly improve the stability of your boat. They help reduce roll and sway, ensuring that you have a steadier and more comfortable ride. Reverse angled chines also reduce spray by deflecting water away from the hull.

Reinforced Bow Ribs

Extra strong bow support reinforced with .100 gauge aluminum bow ribs that eliminate a common weak area found in the front of most boats.

6-YEAR WOWRANTY

A warranty that makes you say wow!

Sure we've always had the industry's best warranties on the structural parts of our boats, like the welds, main riveted seams, pontoon tubes, decks and transoms, but what about everything else in your boat? Well, most companies offer a 1 year warranty on the other stuff and some offer up to three years. Although this is very respectable, we figured we'd double that. Legend's 6 Year WOWranty covers most other components for 6 long years. That gives you a lot of worry-free, quality, memory makin' time.

*For more details, visit
www.legendboats.com/wowranty

3-Year Mercury Warranty

Every Mercury 4-Stroke outboard is backed by a 3-year standard limited warranty to give you peace of mind. Ask us about Mercury Product Protection to extend your Mercury Factory Warranty for up to 8 years.*

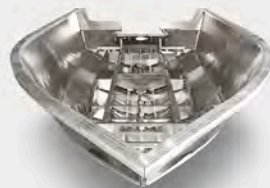

Lifetime Floor Warranty

A thicker floor means a stronger boat. With 7 layers, of marine grade plywood, each individually-treated, we can offer a lifetime warranty against rotting.*

Legend Glide-On 5+1 Year Trailer Warranty

Every Legend Glide-On trailer by Shoreland'r is backed by a 5 year frame warranty and 1-year complete tongue to tail light warranty.*

All-Welded Series Leakproof For Life Warranty

Every Legend All-Welded model carries our exciting and industry-leading Leakproof for Life Warranty. It is remarkably simple. It covers the entire structure of the hull against leaks through the hull for as long as you own the boat. In fact it's the kind of warranty you won't find on any other aluminum boat. Plus it is transferable, giving the second owner up to 10 years of protection.*

Legend ProTech 5+1 Year Canvas Warranty

Legend ProTech All-Synthetic Tear and Mildew-Resistant Material is backed by a 5 Year Warranty and guaranteed not to rot or fade for five years. Stitching, zippers, seams and other top components are covered for 1 year.*

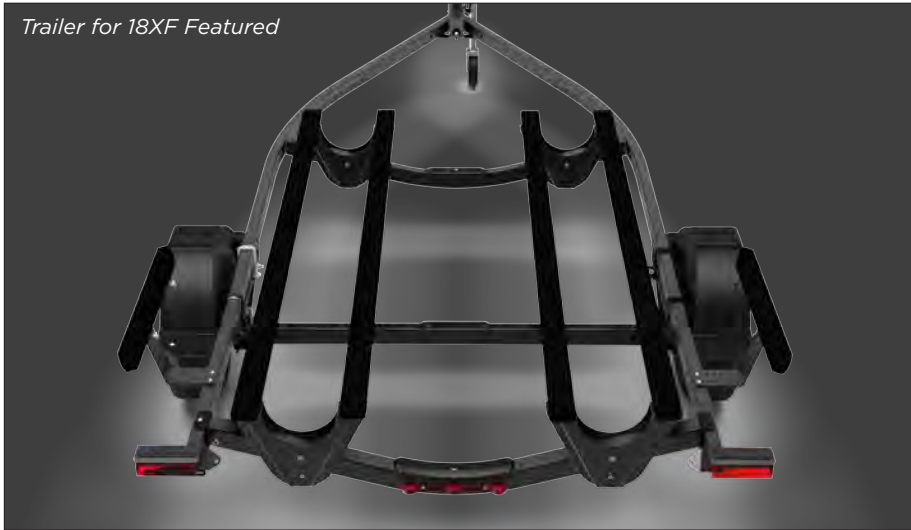

High-Quality Boats Deserve High-Quality Trailers

**Legend Glide-On ShoreArm'r Black
Powder Coated Trailer**

Trailer for 18XF Featured

UPGRADE AVAILABLE:
Legend Galvanized Glide-On Trailer

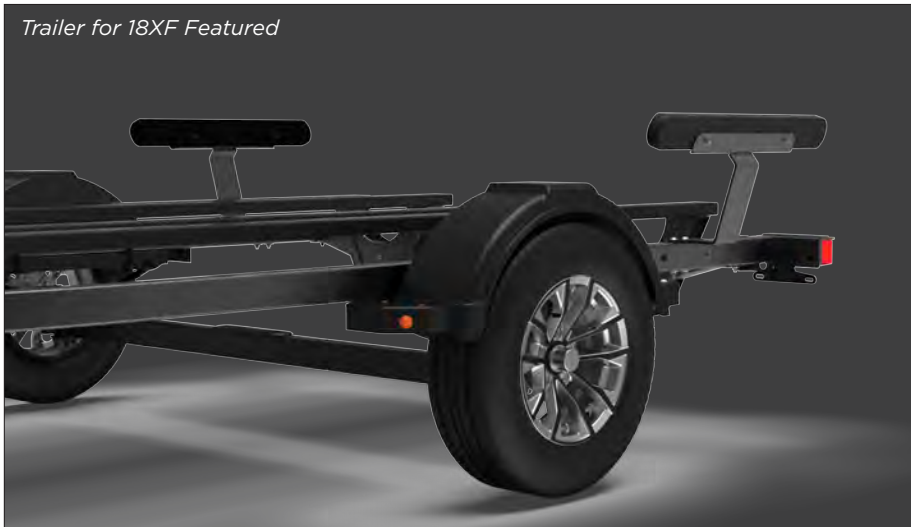

Trailer for 18XF Featured

Welded tubular steel frame with contoured padded cross members and lower axle

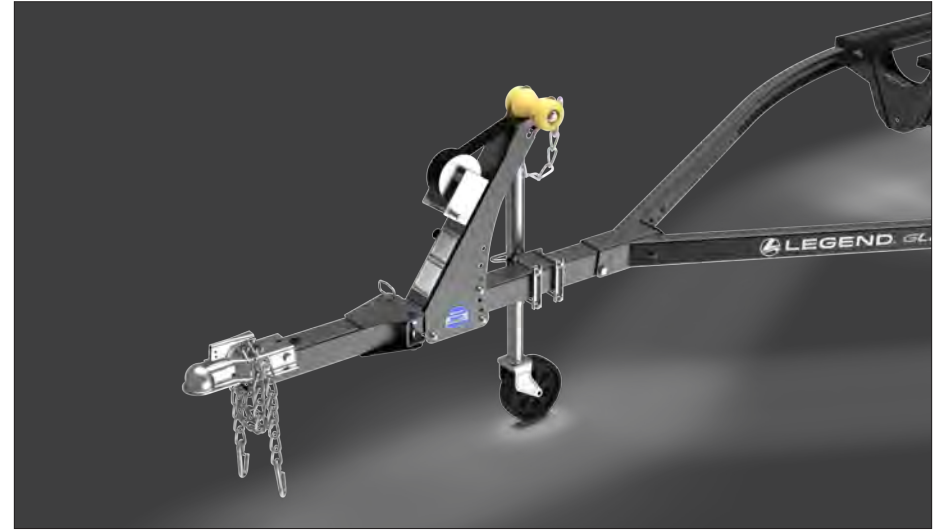

Made with strong, clean construction—the best frame in the industry. The boat sits lower, providing a more stable centre of gravity which allows for launching and loading in shallower water.

Trailer for 18XF Featured

Self-centering carpeted bunk design

Launching and loading are effortless. The boat loads straight, stops easily, and is supported over its full length for even weight distribution.

Reverse angled winch stand with oversized rubber roller

Prevents unwanted forward movement of the boat during sudden stopping. The roller safely stops the boat during loading and holds the bow in place during transport.

Space-saving trailer swing tongue

Reduces trailer length for easier storage and maneuverability, making it more convenient to park and store your boat.

XF Must-Haves:

Bow to Stern Cover

16 SC **\$1,049** | 16' **\$1,199** | 18' **\$1,299**

Our custom-fit bow to stern mooring cover provides complete protection for your Legend boat. Protect your investment and keep your boat looking new.

(Not for winter storage)

Quick and Easy Ratchet System

Just slide the cover over top of your boat, tighten up the ratchet and you're done. It's that easy!

Multi-vent Air Circulation System

Vents humidity to let your boat dry quickly.

*Installation Extra. See Dealer for details.

Freight Charges by Zone.

Zone	ON, QC	MB, NB, PE, NS	SK	AB	BC	NL
Boat Package	No Fee	\$1,175	\$1,400	\$2,075	\$2,400	\$3,500

= Headquarters Whitefish, Ontario

No Fee Setup and Orientation

All of the components of your boat, motor, and trailer package have been specially chosen for compatibility. The professionals at your authorized Legend Dealership will help you select the proper motor and options for your package. They will then prepare your package to ensure proper and worry-free operation.

Side console and full windshield models:

The setup includes the following items: control box, shift cables, starting battery, aluminum propeller, outboard installation and set-up. Your dealer will prepare your package and give you a full orientation to ensure trouble-free boating from day one.

* Freight charges outside of Zone 1 (Ontario and Quebec), licenses, and taxes are extra on all prices. Delivery is available at an additional cost. Payments are calculated with licenses, bank registration charges, and taxes as your down-payment at 8.99% over 1,040 weeks for amounts \$23,000 and higher, 9.99% over 780 weeks for amounts between \$10,000 and \$22,999, and 9.99% over 364 weeks for amounts less than \$10,000 (at time of printing). All financing is OAC. Payments will vary by province. All Choose your power prices are in addition and only available with the purchase of the specific package they are listed with; they are not stand alone motor prices. Towing weights are approximate and are calculated based on a full tank of fuel and 200 pounds for batteries and gear. Speed tests were done with 2 persons, 50 pounds of gear and proper weight distribution. Actual performance may vary. Prices, rates and specifications are subject to change or error. Pictures may show options. Ask for complete details. All illustrations, photographs and specifications in this catalogue are based on the latest product information. See actual boat for complete accuracy. Legend reserves the right to make changes at any time, without notice, in prices, colours, materials, equipment, specifications and models, and to discontinue models or equipment. For information on accessories, contact your local Legend dealer.

Please refer to your provincial laws regarding trailer brakes and ensure that your boat package and tow vehicle comply with the regulations in the provinces you intend to travel in. Brakes may be required in certain circumstances and can be purchased as an option or your trailer model can be upgraded before delivery if brakes are not available on certain trailers. It is your sole responsibility to ensure you comply with all provincial brake requirements for vehicles and also that you always operate your tow vehicle safely. Legend Boats accepts no responsibility with regards to provincial compliance.

At legendboats.com, you'll find a fully-priced electronic version of our catalogue as well as additional pictures and special offers. Always distribute passengers and cargo evenly, wear a PFD and follow the rules for safe boating. Visit: www.tc.gc.ca/boatingsafety

Choose Your Power.

R-SERIES

2025 Fully-Priced Buying Guide | Boat Show Edition

Are You All-In? CANADA'S ONLY FULLY-PRICED CATALOGUE, SINCE '87.

In a world where we are bombarded with fees, surcharges and extras, wouldn't it be nice if a company would just tell us what it's going to cost up front? Legend Boats is that company. Our prices are All-In!

That's right! No administration fees. No hidden freight fees. No rigging fees. Since 1987, our customers have enjoyed having full package pricing at their fingertips so

they could figure out what their perfect boat or pontoon boat was going to cost right down to the penny. Now, there's no more figuring out. With one simple up-front price, you choose your motor and any options you want, then simply add the taxes. We would have gotten rid of those too but we thought it may have been frowned upon. It really couldn't get any more simple, open, honest or transparent, and we feel that you will appreciate our All-In Pricing.

*We only print one version of our catalogue for all of Canada. Customers outside of Ontario and Quebec will have a small fee for freight. Prices are listed as of: 01/01/2025, prices are subject to change without notice. For details, visit us at legendboats.com for your local, ALL-IN, No-Fee Price including current promotions.

We do things a little differently.

Is Legend Canadian?

Yes. We are a Canadian company. We live and play where you do. We understand boating in the unique Canadian wilderness. It's different here, and that's why each and every model is designed by Canadians and built for Canadians. From thicker aluminum to full stand-up tops, we make sure that Mother Nature is no match for your Legend.

Are Legend boats built in Canada?

Yes and No. Our product developers seek out quality manufacturers throughout North America who can produce in the most cost effective way. By outsourcing component manufacturing and then performing all final assembly, sales, service, and warranty right here in Canada, we ensure that the end product is fit for the Great Canadian outdoors.

Are the printed catalogue prices MSRP?

No. The printed price is our hassle-free, lowest price. We provide it up front, so there's no need for uncomfortable negotiations. To top it off, aside from a small variance in freight, our low prices are the same across Canada. Now you can make an informed, easy, and no-pressure decision in the comfort of your own home.

It seems like everyone's warranty is pretty much the same. Is that the case?

Well, at first glance it appears that most companies are offering some sort of lifetime warranty, and it's easy to assume that all warranties are the same, but the devil is in the details. By details, we're talking about the fine print. Our 6 year WOWranty combined with our Lifetime hull warranties give you the absolute best warranty coverage, bar none. Not only do we cover more stuff for longer, but the best part is that everything is taken care of right here in Canada.

Someone told me Legend boats are underpowered. Is that true?

No. You can actually power your boat with the engine of your choice. Each Legend boat model is designed and packaged with a Mercury motor large enough to get you and a friend on the water to experience the boating lifestyle with minimal investment. We understand that everyone's boating needs are different, and that the packaged motor may not suit your needs. That's why we make it easy to choose the perfect Mercury outboard to power all of your on-water activities. So, whether you want to troll all day, bring the kids tubing, cruise with your family or pull two water skiers, we'll help you select the engine that's just right.

Why do you only package your boats with Mercury outboards?

We partner exclusively with Mercury because of their proven quality, value, reliability, service and features. With the large number of clients we help onto the water each year in Canada, other outboard manufacturers would love us to package with their brand. Mercury appreciates our business so much, they offer us exclusive savings that we simply pass on to you. That's how we package with the oldest, largest, number one outboard engine brand at such an incredible price. On top of a great price, by purchasing a complete custom package you'll enjoy consistent performance and one-location servicing.

We give you the most standard equipment.

We've outfitted our boats with more equipment for less. Things that you would have to pay thousands of dollars extra for with other brands are simply part of our value-packed models. Many of our Legend packages have standard features like Dura-deck vinyl floors, automatic bilge pumps, and a bunch of other great stuff that is optional in other brands. When it comes to value, we're proud to say that nobody compares. We have more equipment for less than any other brand!

You claim your quality is good but your prices are affordable. How is that possible?

You get what you pay for right? Well in most cases, yes. But at Legend, we never sacrifice quality in order to reduce cost. Our use of quality brand name products in our packages such as Shoreland'r trailers, Minn Kota and Garmin trolling motors and Mercury outboards - the largest brands in boating - speak for themselves. To keep prices low, we build fewer models in higher volumes and package each model with the same popular features. By purchasing thousands of each component, such as full stand-up tops, fish finders and GPS', we can offer you unbelievably high quality at affordable prices. That's how we do it.

Why doesn't everyone put pricing in their catalogues?

That's a great question. We don't know. It could be because it takes a lot more work and effort to include all of the details required when you're sharing a price. Or, perhaps nobody else does it because they have something to hide. But we're only guessing. All we know is that we're so confident that we offer the absolute best value in Canada that we publish our complete, hassle-free, all-In pricing for all to see. You can find our prices in our full line brochure, on our extensive website and in all of our advertisements. We even print the pricing of our most popular options so you can "build" your own Legend. Nothing is hidden and it's all in Canadian dollars. We've done the work for you and given you our lowest price right up front.

R Series Tiller Models

For those who love to keep things simple and hands-on, a tiller model is your go-to fishing buddy. With no console in the way, you'll have more space to move around and cast freely. Plus, the tiller steering gives you that direct, responsive control—perfect for navigating tight spots or sneaking up on your favorite fishing hole. Just make sure everyone onboard keeps a good balance while you're reeling in the big one!

Interested in a Tiller model? See the:

ProSport LS page 20

Widebody page 22

Ultralite page 22

Sit back with one hand on the wheel.

R Series Console Models

Want more comfort and some extra features while you fish? Console models give you a steering wheel, added protection from wind and water, and room for more gadgets. You've got a clear line of sight for cruising the lake and plenty of storage for all your gear. It's ideal for anglers who like a little more structure on their boat while keeping safety and comfort a priority.

Built for the Catch, Loved for the Memories.

Designed to make every fishing trip effortless, the R-Series delivers smart features where they matter most. Track your next big catch with the PiranhaMax 4 Fish Finder, keep your gear secure in the lockable rod box, and enjoy easy access with deluxe rod holders. Plus, a spacious livewell helps you stay ready for action. Thoughtful details, built for anglers—and the memories you'll make along the way. *Features vary by model.*

Messy catches meet their match.

Spacious Casting Deck | EZ Clean Dura-Deck Flooring

Your seats, your way—fish where it feels right.

4-on-the-floor Seat Base Configuration | 360° Swivel Fishing Seats

Extend your season.

Being Canadian, we understand the harsh reality of the Canadian climate.

Included on the R15, the Full Stand-Up All-Weather Top protects your interior from the elements so that you can enjoy your boat longer, be more comfortable, warmer, and dryer regardless of what Mother Nature throws at you.

Full Stand-Up All-Weather Top Features

Front Aerodynamically Matched to the Windshield

Reduces wind resistance at high speeds on the water, which increases fuel efficiency and allows for full throttle performance with the top up.

Rear Angled Support Bar

Much stronger than a strap, it adds greatly to the overall strength of the top and allows for the top to be stored in an arch out of the way.

All Snaps Are Installed Through Thick Legend ProTech Material

Our strong material provides a solid fastening point as opposed to plastic, which snaps could tear through easily.

Legend ProTech All-Synthetic Tear and Mildew-Resistant Material Backed by a 5 Year Warranty

Guaranteed not to rot, shrink or fade for five years and will resist tearing, even if punctured.

Extra-Wide Double-Zippered Walk-Through with Window

The walk-through window opens fully to allow for easy passage and allows visibility even when closed.

Double Stitching

All main zippers are double-stitched to provide lasting quality in the areas that receive the most stress.

Weather-Resistant Design

Helps to reduce wind and water from entering the boat, keeping you warm and dry.

Three Bar 7/8" Tubular Frame

Our tubing is thicker and therefore stronger than industry standards. A third center bar keeps the top in an arched formation preventing sag at any speed on the water.

Full tops are not for winter storage or highway travel.

**Strong. Flexible.
Light-weight. Sustainable.**

Legend's H34 PerfectFlex aluminum

has the perfect balance of strength and flexibility. Although H36 is harder, it is also more brittle. Its strength is reduced by over 80% when stressed during manufacturing or when flexed on the water. In fact, when stressed, H34 PerfectFlex is tested to be more than 2.5 times stronger than H36, making it the ultimate hardness for .100 gauge aluminum boat manufacturing.

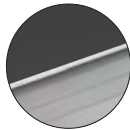

Full-Length Molded Splash Rail

Deflects water away from the boat interior, providing a dry, comfortable ride. Fishing lines are able to slide along the hull edge smoothly where this rail is riveted on.

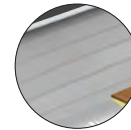

Full-Length Deep-V Hull with Squared Chines

Provides a smooth and comfortable ride while keeping the hull stable so you can move around without it feeling tippy.

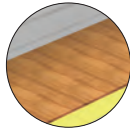

Extra-Wide EZ-Grip Gunnel

Makes holding the boat while getting in or out very easy and increases the overall strength of the hull.

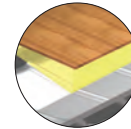

Lap-Stracked Side Walls

Full-length ridges pressed into the sidewall reduce flex and make for a stronger and sturdier boat.

Thick Lifetime Decking

With 7 layers, each individually treated, we can offer a Lifetime Warranty against rotting or warping.

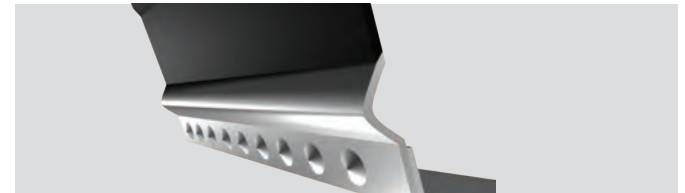

Injected and Level Foam Floatation

Provides a stronger, quieter and safer boat. If filled with water, the boat will not flip or sink, even when loaded to capacity.

3 External Keels

Provide stability, solid cornering and car-bumper-like protection from underwater obstacles.

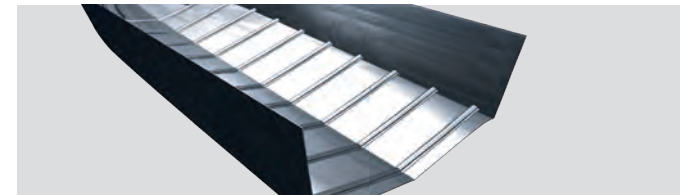

Side-Facing Rivet Line with Lifetime Warranty

Reduces exposure to side seam stress in comparison to a bottom-facing rivet line.

Reinforcing Bow Ribs Attached to Transverse Rib

Are reinforced with .100 gauge aluminum that eliminates a common weak area found in the front of most boats.

Internal Lateral Support Ribs Spaced 9" Apart

Gives you more ribs closer together creating greater support and strength.

R-Series Must-Haves:

Bow to Stern Cover

14' \$999 | 15' \$1,199 | 16' SC \$1,199 | 16' LS \$999

Our custom-fit bow to stern mooring cover provides complete protection for your Legend boat. Protect your investment and keep your boat looking new.

(Not for winter storage)

Quick and Easy Ratchet System

Just slide the cover over top of your boat, tighten up the ratchet and you're done. It's that easy!

*Installation Extra. See Dealer for details.

Multi-vent Air Circulation System

Vents humidity to let your boat dry quickly.

Utility Fishing Chair Kit \$549

Extra comfort for your co-captain.

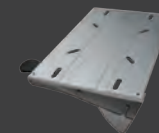

- Wood-Free
- Invisible Hinges
- Ergonomically Designed For Extreme Comfort
- Larger Seating Surface
- Folds Flat For A Cleaner Surface

UTILITY SEAT KIT

Seat Slider \$299

This slider has a gear tooth lock mechanism, locks solidly, disengages easily and rides smoothly on acetal linear bearings.

35600281

Pro Seat \$299

Allows for excellent stand-up casting positions. Includes: Pro Seat, auto-locking seat mount and extra-long 25" post.

- COMPACT DESIGN

PRO SEAT KIT GREY

Legend Fender Kit \$79

Everything you need to get started including:

- 3 Legend 5"x20" Fenders
- 3 Fender Loops
- 1 Legend Key Float
- 1 Legend Bag

LEGEND FENDER KIT BLACK

Upgrade your straps \$99

The TowBetter Auto Retractable Tie Down Includes a retractable ratchet nylon strap, retracts for convenient storage. S-hooks with a vinyl coating protects the aluminum paint finish of the boat. All necessary hardware is included.

BTDP3B

Deluxe Safety Kit \$349

Everything required by Transport Canada for boating on most lakes.

Total Value \$378 # DELUXE SAFETY KIT

BUY THE PACKAGE AND SAVE \$29

Package includes:

- 4 Universal Legend Life Jackets
- 50 ft Buoyant Heaving Line
- Fire Extinguisher
- 2 Mooring Lines
- Safety Whistle
- Waterproof Flashlight
- 10 lb Anchor with 50 ft Rope
- Telescopic Paddle
- Bailing Bucket

See the Transport Canada Safe Boating Guide for your safety requirements.

Motor Support \$159

Protect your boat's transom and motor from trailering stress. This extendable reach motor support is specifically designed for Legend Glide-On trailers.

55-1921

Fish Tech 55 **\$2,999***

plus installation* (Approx 2hrs)

#FishTech55Package

Requires one optional Deep Cycle Battery.

Get the basics covered. The perfect package for the angler wanting to level-up their time on the water.

POWERDRIVE 55/DSC/MR

Reliable. Capable. And fully able to handle anything a day of fishing brings. PowerDrive™ shows up to the launch ramp every day with big-time technology, trusted power and easy operation.

HELIX 7 CHIRP GPS G4N

Includes Dual Spectrum CHIRP Sonar, AutoChart Live, Internal GPS and Humminbird Basemap built-in. An upgraded high-definition 7" display will give you the best view of the many pre-loaded split screen view options so that you'll never miss a fish.

RAM MOUNT

Paired with your Helix 7 and installed at the bow, offering precise control of your built-in DSC trolling motor transducer.

NAVIONICS*+CANADA

Navionics*+ mapping offers integrated marine content that details coastal features plus thousands of rivers, bays and lakes around the world.

See more, catch more. Standalone Upgrades

POWERDRIVE 45 MR 54" **\$1,399**

Reliable. Capable. And fully able to handle anything a day of fishing brings. PowerDrive™ shows up to the launch ramp every day with big-time technology, trusted power and easy operation.

12 Volt, 45 lbs thrust, 54" shaft
GPS-enabled model shipped with micro remote
Fully compatible with Humminbird fish finder units
Phone App Compatible (Free Download)
Push to Test Battery Meter
Digital Maximizer
Power Prop

*Installation Extra. See Dealer for details.

Helix 5 CHIRP GPS G3 **\$489** #411660-1

This HELIX 5 CHIRP GPS G3 model features Dual Spectrum CHIRP 2D sonar, internal GPS with Humminbird Basemap and AutoChart Live built-in, with additional compatibility for Humminbird and Navionics premium fishing charts.

*Installation Extra. See Dealer for details.

Helix 7 CHIRP GPS G4N **\$1,049** #411630-1

Features MEGA Down Imaging, Dual Spectrum CHIRP Sonar, AutoChart Live, Internal GPS and Humminbird Basemap built-in. An upgraded high-definition 7" display will give you the best view of the many pre-loaded split screen view options so that you'll never miss a fish.

*Installation Extra. See Dealer for details.

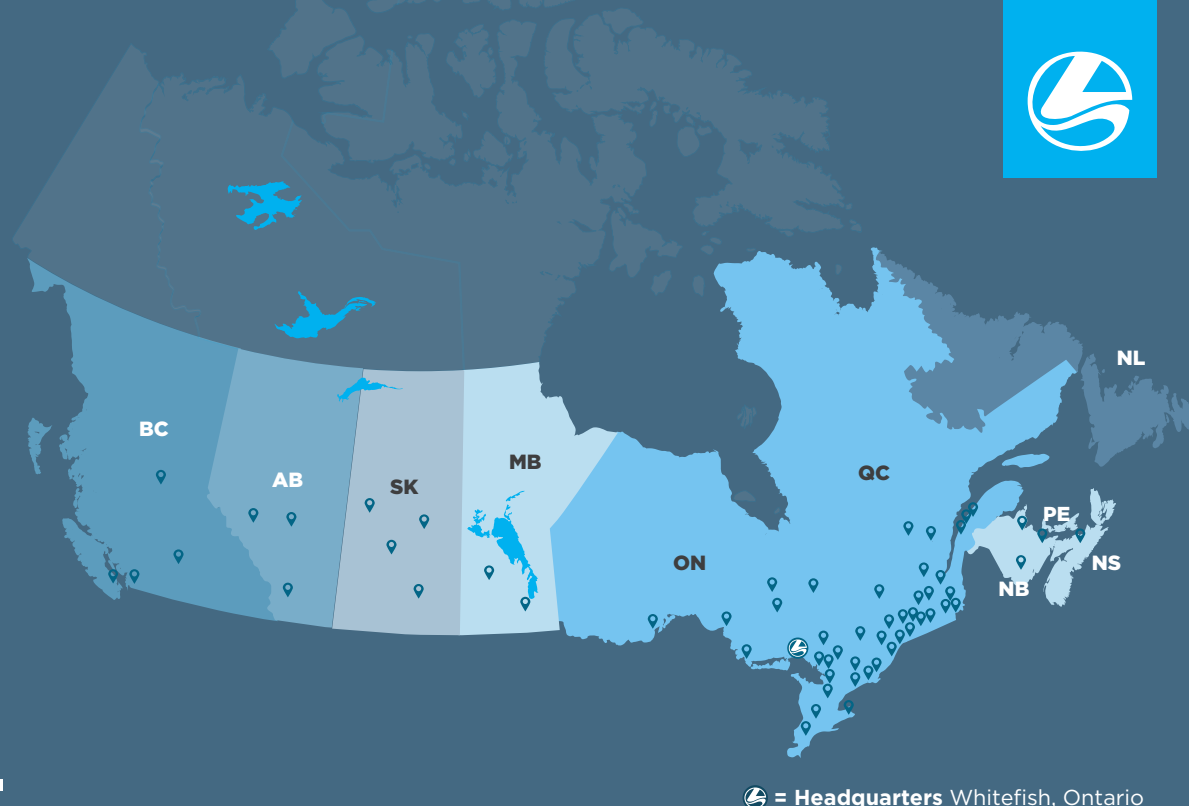

Universal Ram Mount **\$112** #170-RAM111

*Installation Extra. See Dealer for details.

With a rapidly growing Dealer Network, Legend is taking Canada boating!

Freight Charges by Zone.

Zone	ON, QC	MB, NB, PE, NS	SK	AB	BC	NL
Utility Boat Only	No Fee	\$600	\$650	\$1,100	\$1,250	\$1,400
Boat Package	No Fee	\$1,175	\$1,400	\$2,075	\$2,400	\$3,500

No Fee Setup and Orientation

All of the components of your boat, motor, and trailer package have been specially chosen for compatibility. The professionals at your authorized Legend Dealership will help you select the proper motor and options for your package. They will then prepare your package to ensure proper and worry-free operation.

Side console and full windshield models:

The setup includes the following items: control box, shift cables, starting battery, aluminum propeller, outboard installation and set-up. Your dealer will prepare your package and give you a full orientation to ensure trouble-free boating from day one.

ProSport Tiller models in packages:

The setup includes the following items: outboard installation and setup, propeller, fuel tank, starting battery on packages with electric start motor or utility boat models with lights or livewells. Your dealer will prepare your package and give you a full orientation to ensure trouble-free boating from day one. Tiller model boats like the 14/16 WideBody and 12/14 Ultralite, will be subject to installation charges if motors, trailers or other accessories are added. See your dealer for details.

* Freight charges outside of Zone 1 (Ontario and Quebec), licenses, and taxes are extra on all prices. Delivery is available at an additional cost. Payments are calculated with licenses, bank registration charges, and taxes as your down-payment at 8.99% over 1,040 weeks for amounts \$23,000 and higher, 9.99% over 780 weeks for amounts between \$10,000 and \$22,999, and 9.99% over 364 weeks for amounts less than \$10,000 (at time of printing). All financing is OAC. Payments will vary by province. All Choose your power prices are in addition and only available with the purchase of the specific package they are listed with; they are not stand alone motor prices. Towing weights are approximate and are calculated based on a full tank of fuel and 200 pounds for batteries and gear. Speed tests were done with 2 persons, 50 pounds of gear and proper weight distribution. Actual performance may vary. Prices, rates and specifications are subject to change or error. Pictures may show options. Ask for complete details. All illustrations, photographs and specifications in this catalogue are based on the latest product information. See actual boat for complete accuracy. Legend reserves the right to make changes at any time, without notice, in prices, colours, materials, equipment, specifications and models, and to discontinue models or equipment. For information on accessories, contact your local Legend dealer.

Please refer to your provincial laws regarding trailer brakes and ensure that your boat package and tow vehicle comply with the regulations in the provinces you intend to travel in. Brakes may be required in certain circumstances and can be purchased as an option or your trailer model can be upgraded before delivery if brakes are not available on certain trailers. It is your sole responsibility to ensure you comply with all provincial brake requirements for vehicles and also that you always operate your tow vehicle safely. Legend Boats accepts no responsibility with regards to provincial compliance.

At Legendboats.com, you'll find a fully-priced electronic version of our catalogue as well as additional pictures and special offers. Always distribute passengers and cargo evenly, wear a PFD and follow the rules for safe boating. Visit: www.tc.gc.ca/boatingsafety

Choose Your Power.

Ask your Legend dealer to help you select the Mercury outboard that best suits your needs from the motor choices below. Use the chart that corresponds with the standard engine packaged with your boat model. Simply add the amount to the standard package price to have the motor that is perfect for you.

E = Electric Start

L = Long Shaft

PT = Power Trim and Tilt

CT = Command Thrust
