

FAMILY AND FISHING BOATS
FULLY-PRICED BUYING GUIDE **2026**

Our Story

Four Decades of Creating Memories on the Water.

Legend Boats has spent 40 years helping Canadians create memories on the water. What started in 1986 with Vic Duhamel and Carl Dewar has grown into one of Canada's most trusted marine brands. Their mission was clear from day one: make boating easier, better, and more accessible for Canadian families. Today, that legacy continues.

Over four decades, Legend has grown from simple aluminum boats to a full lineup of fishing boats, deck boats, pontoons, rotomoulded boats, and a premium pontoon brand. Canadians have caught their first fish, pulled their first skier, and taken countless family trips in a Legend. As we mark 40 years, we are proud of our past and focused on the future, with smarter layouts, modern styling, and thoughtful details.

To our customers, partners, and the entire Legend family, thank you. Thank you for 40 years of trust, loyalty, and shared memories.

Here's to countless more sunrises, more casts, more laughs, and more memories together.

A Message from Our Team

At Legend, our purpose is simple and lasting. Create memories that bring people closer together. Everything we design, build, and deliver moves toward that mission. Value matters. Families should feel confident that they're getting more boat, more thought, and more quality for their investment. We focus on smart features, practical layouts, and pricing that makes sense, because boating should feel within reach, not out of it.

We also believe the experience should be easy. From the moment someone starts shopping to the day they launch, our goal is to remove friction. Clear information. Helpful guidance. Boats that are ready to enjoy. When we make things easier, people spend less time figuring it out and more time on the water.

But the real reason we do what we do are the moments that happen on the water. Kids learning to ski. Friends laughing on the boat. Quiet mornings fishing. These moments stay with people, and we're proud to be a small part of them.

Thank you for considering Legend. We'll keep working hard to build value, simplify the experience, and support the memories that matter most.

Marc Duhamel
Jamie Dewar
Co-CEOs, Legend Boats

Our mission is to Create Memories.

Whether we are working on a cool new design, adding an innovative feature, or squeezing in that extra bit of value, all we're thinking about is providing you with the ultimate boating experience, and creating memories that will last a lifetime.

Did you know that the Legend headquarters is in Whitefish, Ontario? We have knowledgeable representatives available to answer your questions and direct you to your nearest Dealer. Call our toll-free number, 1.800.461.4050 and start on the path to finding your new boat.

Are You All-In? CANADA'S ONLY FULLY-PRICED CATALOGUE, SINCE '87.

In a world where we are bombarded with fees, surcharges and extras, wouldn't it be nice if a company would just tell us what it's going to cost up front? Legend Boats is that company. Our prices are All-In!

That's right! No administration fees. No hidden freight fees. No rigging fees. Since 1987, our customers have enjoyed having full package pricing at their fingertips so they could figure out what their perfect boat or pontoon

boat was going to cost right down to the penny. Now, there's no more figuring out. With one simple up-front price, you choose your motor and any options you want, then simply add the taxes. We would have gotten rid of those too but we thought it may have been frowned upon. It really couldn't get any more simple, open, honest or transparent, and we feel that you will appreciate our All-In Pricing.

*We only print one version of our catalogue for all of Canada. Customers outside of Ontario and Quebec will have a small fee for freight. For details, visit us at legendboats.com for your local, ALL-IN, No-Fee Price including current promotions.

We do things a little differently.

Is Legend Canadian?

Yes. We are a Canadian company. We live and play where you do. We understand boating in the unique Canadian wilderness. It's different here, and that's why each and every model is designed by Canadians and built for Canadians. From thicker aluminum to full stand-up tops, we make sure that Mother Nature is no match for your Legend.

Are Legend boats built in Canada?

Yes and No. Our product developers seek out quality manufacturers throughout North America who can produce in the most cost effective way. By outsourcing component manufacturing and then performing all final assembly, sales, service, and warranty right here in Canada, we ensure that the end product is fit for the Great Canadian outdoors.

Are the printed catalogue prices MSRP?

No. The printed price is our hassle-free, lowest price. We provide it up front, so there's no need for uncomfortable negotiations. To top it off, aside from a small variance in freight, our low prices are the same across Canada. Now you can make an informed, easy, and no-pressure decision in the comfort of your own home.

It seems like everyone's warranty is pretty much the same. Is that the case?

Well, at first glance it appears that most companies are offering some sort of lifetime warranty, and it's easy to assume that all warranties are the same, but the devil is in the details. By details, we're talking about the fine print. Our 6 year WOWranty combined with our Lifetime hull warranties give you the absolute best warranty coverage, bar none. Not only do we cover more stuff for longer, but the best part is that everything is taken care of right here in Canada.

Someone told me Legend boats are underpowered. Is that true?

No. You can actually power your boat with the engine of your choice. Each Legend boat model is designed and packaged with a Mercury motor large enough to get you and a friend on the water to experience the boating lifestyle with minimal investment. We understand that everyone's boating needs are different, and that the packaged motor may not suit your needs. That's why we make it easy to choose the perfect Mercury outboard to power all of your on-water activities. So, whether you want to troll all day, bring the kids tubing, cruise with your family or pull two water skiers, we'll help you select the engine that's just right.

Why do you only package your boats with Mercury outboards?

We partner exclusively with Mercury because of their proven quality, value, reliability, service and features. With the large number of clients we help onto the water each year in Canada, other outboard manufacturers would love us to package with their brand. Mercury appreciates our business so much, they offer us exclusive savings that we simply pass on to you. That's how we package with the oldest, largest, number one outboard engine brand at such an incredible price. On top of a great price, by purchasing a complete custom package you'll enjoy consistent performance and one-location servicing.

We give you the most standard equipment.

We've outfitted our boats with more equipment for less. Things that you would have to pay thousands of dollars extra for with other brands are simply part of our value-packed models. Many of our Legend packages have standard features like Dura-deck vinyl floors, automatic bilge pumps, and a bunch of other great stuff that is optional in other brands. When it comes to value, we're proud to say that nobody compares. We have more equipment for less than any other brand!

You claim your quality is good but your prices are affordable. How is that possible?

You get what you pay for right? Well in most cases, yes. But at Legend, we never sacrifice quality in order to reduce cost. Our use of quality brand name products in our packages such as Shoreland'r trailers, Minn Kota and Garmin trolling motors and Mercury outboards - the largest brands in boating - speak for themselves. To keep prices low, we build fewer models in higher volumes and package each model with the same popular features. By purchasing thousands of each component, such as full stand-up tops, fish finders and GPS', we can offer you unbelievably high quality at affordable prices. That's how we do it.

Why doesn't everyone put pricing in their catalogues?

That's a great question. We don't know. It could be because it takes a lot more work and effort to include all of the details required when you're sharing a price. Or, perhaps nobody else does it because they have something to hide. But we're only guessing. All we know is that we're so confident that we offer the absolute best value in Canada that we publish our complete, hassle-free, all-In pricing for all to see. You can find our prices in our full line brochure, on our extensive website and in all of our advertisements. We even print the pricing of our most popular options so you can "build" your own Legend. Nothing is hidden and it's all in Canadian dollars. We've done the work for you and given you our lowest price right up front.

XT SERIES

The Ultimate Convertible Family Fishing Boat.

The Legend XT Series is the definitive choice for the avid fisherman who refuses to compromise, blending a rugged, high-performance fishing platform with the premium comforts your family deserves. With the addition of the Sports Package, the XT converts into a high-energy family runabout, making it the most versatile and exciting boat on the water.

XT SERIES 17 XT • 18 XT • 19 XT • 20 XT

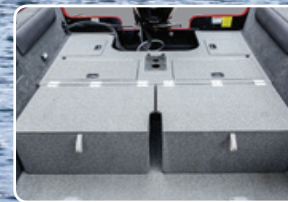

CONVERTIBLE WALKTHROUGH BOW

Meet the “Frunk”, a smart front trunk that turns your bow into either a large, level casting deck with deep storage, or a comfortable walk-in bow-rider with the optional Sport Package cushions. One bow, two layouts, and all the storage you want.

FULLY-ENCLOSED STAND-UP TOP WITH FORWARD-FACING SPORT BIMINI

This sleek top keeps you dry and comfortable, with a forward-facing sport bimini that gives you more head room and more room to cast a line.

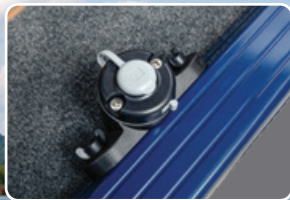

EZ-FLIP 50/50 SPLIT EXTENDA-DECK CONVERTA-BENCH

Convert from a spacious casting deck to a large split full-width bench in seconds. Paired with the rear swim platform, it's perfect for fishing, cruising, or relaxing.

DELUXE COMMAND-VU CONSOLE

Take charge with a built-in HELIX 7" GPS for precise navigation, a backlit tachometer and fuel gauge, Horn, EZ-Reset Circuit Breakers, Jensen stereo with Bluetooth® and USB, and illuminated switches. Stay connected and in control.

RAILMOUNTZ INTEGRATED GUNNEL SYSTEM (RIGS)

Elevate your boating experience with our integrated track rail system. Designed to make accessorizing your boat easy while keeping everything secure.

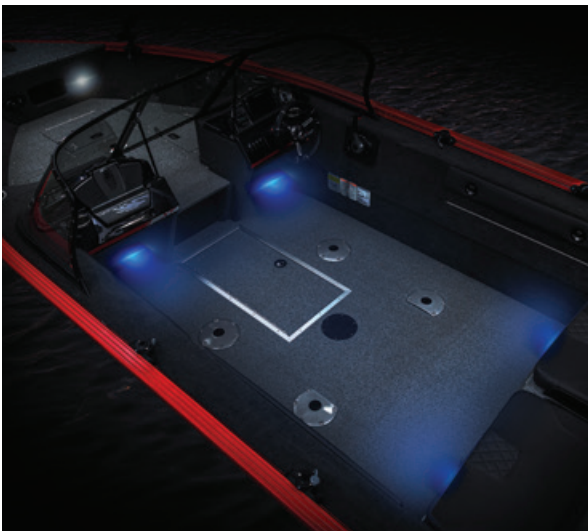

SECURE IN-FLOOR ROD LOCKER

Protect your fishing rods and tackle with this in-floor locker, designed to hold up to 6 rods, while shielding your gear from the elements. Keep your investment safe and ready for every trip.

4-ON-THE-FLOOR SEATING

Arrange your seats to suit the day! Four for a crew, fewer for open deck, or any setup in between. This flexible base system keeps every passenger comfortable, no matter the layout.

INTERIOR LED AMBIENT LIGHTING

Seeing at night is no issue with the XT interior ambient Blue LED lighting and courtesy lights.

IN-DASH HELIX 7 MEGA DI GPS G4N

The HELIX 7 CHIRP MEGA DI GPS G4N features MEGA Down Imaging, Dual Spectrum CHIRP Sonar, AutoChart Live, Internal GPS and Humminbird® Basemap built-in. A high-definition 7" display ensures you'll never miss a fish. All HELIX 7 G4N models support Ethernet networking, Bluetooth®, NMEA 2000®, and are compatible with the One-Boat Network™, which means you'll have total control of your fishing machine at your fingertips.

PASSENGER CONSOLE WITH BUILT-IN COOLBOX

The passenger console provides storage for your valuables, along with a built-in cool box that keeps up to 12 drinks chilled! A removable shelf lets you add anything else on top of the cooler packs.

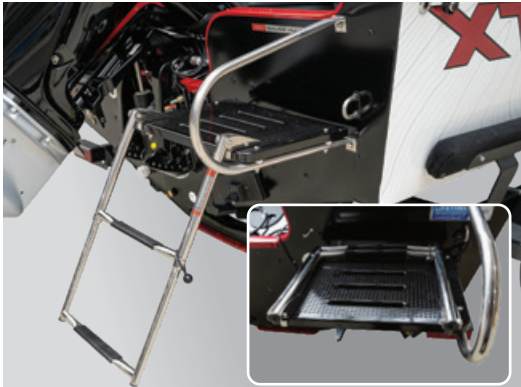

RICH, COMFORTABLE INTERIORS COMPLEMENT BOLD EXTERIORS

Ergomax™ seating is built for long days on the water and available in two bold colours: Diamond Cognac to match the Sapphire Blue exterior, or Diamond Grey to complement the Chili Pepper Red exterior, so your boat looks as good as it feels.

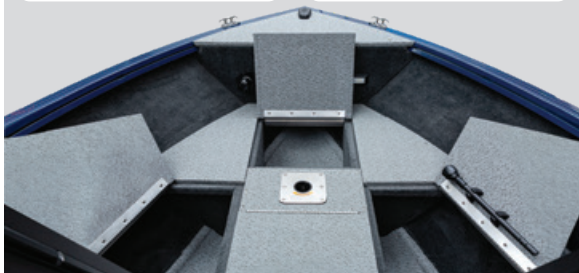

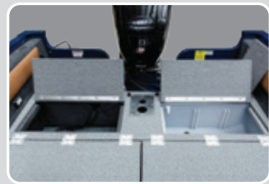

LOCKABLE SIDE STORAGE

Lockable port and starboard storage for your fishing rods or additional secure space for your equipment.

SWIM PLATFORM WITH FLIP-DOWN TELESCOPING LADDER

A swim platform for easy boarding after watersports or cooling off in the water.

STORAGE COMPARTMENTS

Tons of storage for all your gear and equipment, including large bow port and starboard compartments for two batteries plus stern storage for another two.

HUGE FRONT AND REAR CASTING DECKS

Convert in seconds to massive front and rear casting decks when it's time to fish. You get wide, stable platforms, smart storage, and all the space serious anglers need.

MASSIVE REAR LIVEWELL

This aerated stern livewell keeps your catch fresh and alive with minimal stress from waves. The threaded Sure-Lock stand pipe with overflow protection ensures reliable water levels, while its rear placement reduces vibration and impact for tournament-ready fish.

TILT STEERING

Adjust the wheel to your ideal driving position for a comfortable, controlled ride and easily stand up to steer when approaching the dock.

BLUETOOTH® STEREO WITH MP3 PORT AND 2 SPEAKERS

Bring your playlist with you out on the water with our Bluetooth® stereo system.

XT SERIES

ADDITIONAL FEATURES

BOW CONTOURED BACKRESTS

Seamlessly integrated into the bow, these contoured backrests deliver comfort and plush style for cruising or lounging. The integrated cupholders bring the total to 6 convenient cupholders spread throughout the boat.

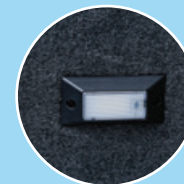

BUILT-IN TACHOMETER

Monitor RPMs in real time for optimal power and efficiency. This essential gauge keeps you in tune with your engine's performance at a glance.

WAVE-SLICING 17-DEGREE DEEP-V HULL FOR SMOOTH CRUISING

Experience a smooth ride, cut through the water with ease with the aggressive 17-degree wave-slicing deep-V hull.

LED COURTESY LIGHTS

Added lighting for those evening or morning cruises makes finding your gear as easy as possible.

TROLLING MOTOR READY

Pre-wired for 12/24 volt trolling motors. Paired with bow trim/tilt switch right at the bow. Giving full control of your engine's trim angle to raise or lower your outboard without having to return to the helm.

SPACE-SAVING TRAILER SWING TONGUE

With our space-saving trailer swing tongue, your trailer becomes shorter and takes up less space in your driveway or garage.

Ready for Anything. Built for Everything.

The XT Series combines bold styling with smart, family-friendly features, including an in-dash 7" GPS fish finder, walkthrough windshield, easy-clean vinyl decks, and plenty of secure storage. Built on Legend's welded aluminum hull, XT delivers a smooth, stable ride for fishing, cruising, and everything in between.

SPORT PACKAGE UPGRADE \$2,499

Make your XT the ultimate sport boat by adding the Sports Package. This package includes a Bow Cushion set that covers the entire front deck, Bow deck Backrests, Nightview Safety Mirrors with docking and boarding lights and a removable Ski Tow Bar.

Available for:

NIGHTVIEW SAFETY MIRRORS WITH DOCKING/BOARDING LIGHTS

Gain peace of mind when towing for watersports, and have extra lighting when docking your boat in early mornings or late evenings. Say goodbye to loading or unloading gear in the dark.

BOW CUSHIONS

Convert your convertible walkthrough bow into the ultimate lounge with our colour-matched bow cushions, paired with the included bow contoured backrests. This becomes the ultimate lounging spot.

BOW DECK BACKREST

The bow deck backrest makes the perfect front-row seat to your next adventure. From sunbathing to extra seating for guests, it's a space designed to make every moment on the water feel just right.

ALUMINUM SKI TOW BAR

With the added Ski Tow Bar, your XT turns into the ultimate watersport boat, giving you endless possibilities out on the water within seconds.

ACCESSORISING MADE SIMPLE

RAILMOUNTZ INTEGRATED GUNNEL SYSTEM - RIGS

Elevate your boating experience with our integrated track rail system.
Designed to make accessorizing your boat easy while keeping everything secure.

VERSATILE ACCESSORY MOUNTING

Versatile. Secure. Unlimited possibilities! You can mount and adjust the Railmountz accessories in seconds, so each adventure is optimized for your needs.

CLEAN INTEGRATION

The track is integrated into the gunnel making the aesthetic cleaner than retro-fitted mounting solutions. Less drilling, no extra holes, and more professional.

ENHANCED FLEXIBILITY

With RIGS you can slide rod holders exactly to where you need them, from front to back, along the gunnel. On days when you're not fishing, remove or re-arrange your fishing gear and swap in additional accessories using the same track.

LOCKABLE AND ADJUSTABLE

Accessories can be repositioned and firmly held in place. Flick the switch to unlock, swivel, or remove one component and replace it with another, and lock it back in place.

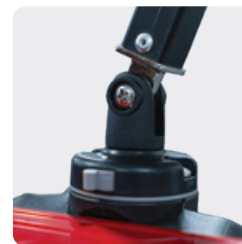

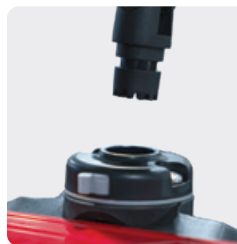

THE ALL-NEW FORWARD FACING BIMINI

Redesigned with a sleek forward-facing arch, this innovative bimini maximizes fishing space and mobility at both the bow and stern. Its forward-facing design provides full shade and protection without obstructing your casting, delivering a cleaner, more functional layout built for both the serious angler and the family cruiser.

OPEN REAR DECK

The forward-facing bimini top keeps the rear deck completely open, giving anglers clear, unobstructed space to fish. Unlike traditional tops that angle backward and get in the way, this design maximizes room where it matters most.

TOOL-FREE RIGS MOUNTED

Engineered for efficiency, the bimini top locks directly into the Railmountz Integrated Gunnel System (RIGS) for quick, effortless removal. This seamless connection provides unmatched versatility, making it easy to detach or reinstall the top without tools, so you can adapt your setup for fishing, storage, or travel in seconds.

QUICK AND EASY TRAVEL COVER FIT

Designed for convenience and versatility, the new bimini top folds down flat, making storage effortless and secure. Its simple, streamlined design also makes it easier to install the travel cover, ensuring a clean, polished fit when your boat is not in use.

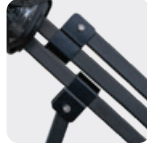

ALL-WEATHER PROTECTION FULL ENCLOSURE TOP

As Canadians, we know that the weather doesn't always cooperate. That's why the XT Series comes equipped with a rugged full stand-up top crafted from Legend's ProTech material, complete with side curtains, aft curtain, bow cover, and protective boot. Designed to perform in the harshest conditions, it keeps you dry, warm, and comfortable all season long.

VENTS

Provides air flow in and out of the boat to prevent foggy windows and moisture build up.

ALL-METAL FITTINGS

Unlike plastic fittings, metal ones are less likely to crack, break, or wear out.

PULL-A-DOT SNAPS

Used in strategic areas, they are a specially designed locking snap that keeps your top securely fastened.

DOUBLE-STITCHED ZIPPERS

Provide lasting quality in areas that receive the most stress.

FULL STAND-UP HIGH DESIGN THAT WORKS AT FULL SPEED ON THE WATER

Allows for comfortable upright maneuvering in the boat with no need to take it down, even at high speeds on the water.

EXTRA-WIDE DOUBLE-ZIPPED WALK THROUGH WITH WINDOW

The walk-through window opens fully to allow for easy passage and allows visibility even when closed.

WEATHER-RESISTANT DESIGN

Engineered to lock out wind and rain, this complete system, featuring precision-fit bow cover, and side and aft curtains, ensures you stay warm, dry, and comfortable even when the conditions turn harsh.

PROTECH
WIND, RAIN AND SUN PROTECTION.

3+1 YEAR
Canvas Warranty

LEGEND PROTECH ALL-SYNTHETIC TEAR AND MILDEW-RESISTANT MATERIAL

Backed by a 3 year warranty, it is guaranteed not to rot or fade and will resist tearing, even if punctured. Stitching, zippers, seams and other top components are covered for 1 year.

XF SERIES

Serious fishing. Smarter value.

The XF Series blends real fishing power with extra comfort. With a raised casting deck, convertible bench seating, plenty of smart storage and a tournament-sized livewell, an XF has everything you need to go fishing, with a price that makes it easy to get on the water.

XF SERIES 16 XF SC • 16 XF • 18 XF

MERCURY

DELUXE FULL-VU CONSOLE

Everything you need to be out on the water, day or night. The fishfinder, gauges and switches are all within reach and illuminated for use at night.

PORTABLE BLUETOOTH IPX7 WATERPROOF SPEAKER

Bring your soundtrack aboard. This removable rechargeable waterproof speaker snaps in magnetically and delivers clear sound wherever you go.

114L AERATED BOW LIVEWELL

Tournament-sized livewell with integrated bait bucket and threaded sure-lock stand pipe with overflow protection for ultimate convenience.

18 XF IN-FLOOR LOCKABLE ROD STORAGE

The in-floor rod locker with tube holders accommodates 6 rods up to 7 feet. Keep your fishing rods secure and out of the way while preserving deck space and ensuring easy access.

HUMMINBIRD® PIRANHAMAX 4" FISH/DEPTH FINDER

With modern styling and a large 4.3" color LCD, the PiranhaMAX 4 will give you a fresh perspective on what's below your boat.

EZ-FLIP 50/50 SPLIT EXTENDA-DECK CONVERTA-BENCH

Provides ample seating and flips easily in seconds to convert into a large rear casting deck for optimal fishing space.

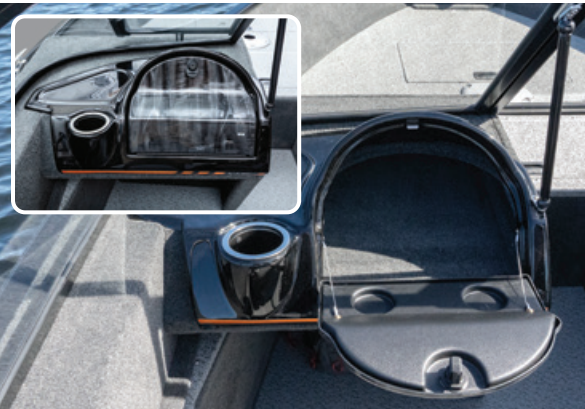

ILLUMINATED SWITCHES AND GAUGES

Illuminated switches and gauges makes it easier for you to see everything you need to while out on the water during those early morning or late evening fishing adventures.

LARGE BOW CASTING DECK

The large bow casting deck provides a stable spot to cast out a line, along with ample storage for all your gear and more. Plus, with the 114L livewell, it makes it quick and easy to store your catch.

LOCKABLE PASSENGER STORAGE

The passenger console provides lockable storage for your valuables while out on the water.

LOCKABLE SIDE STORAGE

Lockable port and starboard storage for your fishing rods or additional secure space for your equipment.

DELUXE RAILMOUNTZ ROD HOLDERS

Our deluxe Railmountz rod holders provide a secure, easily accessible spot to rest your rod while you prep your bait for the perfect strike.

FLEXIBLE SEATING LOCATIONS

With four bases on the floor and casting deck bases, you can move your seats to the perfect spot to land a big one.

BOW AND REAR DECK STORAGE COMPARTMENTS

Tons of storage for all your gear and equipment.

18 XF TILT STEERING

Tilt Steering gives you the ability to customize the configuration to fit your driving preferences.

16 XF SC REMOVABLE TINTED WINDSCREEN

The removable tinted windscreen gives you added wind protection when cruising.

4-ON-THE-FLOOR SEATING CONFIGURATION

Arrange your seats to suit the day—four for a crew, fewer for open deck, or any setup in between. This flexible base system keeps every passenger comfortable, no matter the layout.

16 XF SC PORT SIDE ROD STORAGE

Port Side rod storage to secure and protect your fishing rods.

POPULAR XF SERIES OPTIONS

SKI TOW BAR \$599

Turn your 18 XF into the ultimate watersports boat.

BOW CUSHIONS \$999

Convert your bow casting deck into the ultimate sun lounge.

FULL STAND-UP TOP \$2,999

Add this optional full stand-up top to extend your season and escape the elements.

XF SERIES

ADDITIONAL FEATURES

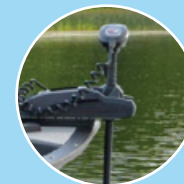

12V POWER OUTLET

Located at the helm, the 12V Power Outlet allows an additional outlet to charge your phone or inflate your tube or floatable.

SPACE-SAVING TRAILER SWING TONGUE

With our space-saving trailer swing tongue, your trailer becomes shorter and takes up less space in your driveway or garage.

PRE-WIRED FOR ELECTRIC TROLLING MOTOR

All XF models are pre-wired so no additional wiring is required to add a troller motor. Just plug and play.

WAVE-SLICING DEEP-V HULL FOR SMOOTH CRUISING

Experience a smooth ride, cut through the water with ease with the aggressive wave-slicing 17-degree deep-V hull on the 18 XF, and 10-degree deep-V hull on the 16 XF models.

REAR SWIM PLATFORM WITH FLIP-DOWN TELESCOPING LADDER

A swim platform for easy boarding after watersports or cooling off in the water.

Real Fishing. Real Value.

The XF Series is built around what matters most on the water; space to cast, smart layouts, and features that actually get used. Elevated casting decks, integrated livewells, flexible seating, and smart rod storage come standard, giving you a true fishing platform that still works for family days.

R SERIES

Rugged. Reliable. Ready for Anything.

The R Series is your go-anywhere, do-anything, no nonsense boat. Lightweight and easy to tow, these boats are built tough with full-length keels and rugged construction. Whether you're cruising the shoreline, heading to the cottage, or exploring new lakes, the R Series keeps it simple, practical, and is ready when you are.

R SERIES R 15 SC • R 15 • 16 ProSport SC • 16 ProSport • 14 ProSport
• 16 Widebody • 14 Widebody • 14 Ultralite • 12 Ultralite

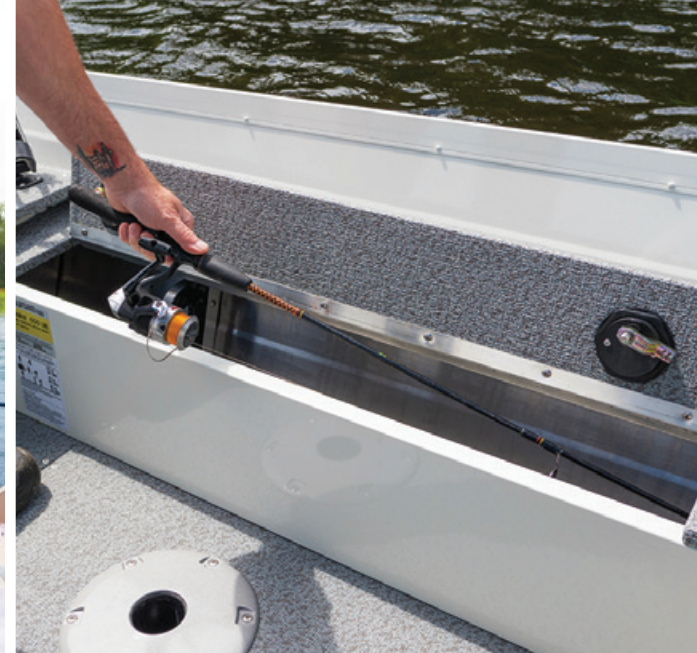

ROOM FOR MORE WITH 4 ON THE FLOOR

Add 2 optional chairs to the R 15 or R 15 SC for comfortable seating for four. Bring extra friends or family and still keep the bow and stern open for casting or easy walk-through.

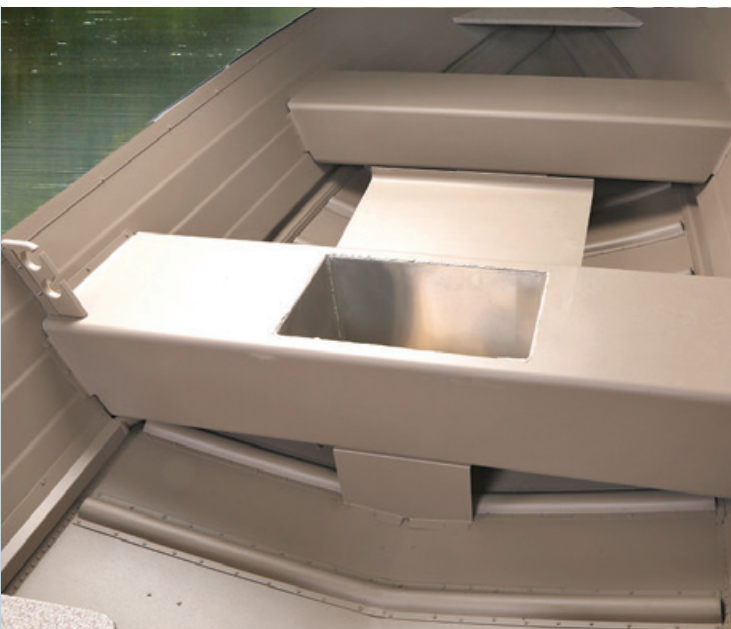

14 AND 16 WIDEBODY SPLIT SEAT

The split seat gives you ample storage for your fuel tank, battery and you stay comfortable by not having to twist your back to reach the tiller handle.

LOCKABLE ROD STORAGE

Safely store your rods and gear in the lockable rod storage along the side of your 14 or 16 ProSport.

38-LITRE IN-SEAT LIVEWELL

Keep your catch alive and fresh in this easy-access seat compartment on the 16 Widebody. Store the day's fish, or fill it with ice for an extra cooler on the water.

ALL-VINYL FISHING DECK

The EZ-Clean Dura-Deck all-vinyl interior shrugs off water, mud, and fish slime. Just hose it down and it's ready for your next adventure.

TROLLING MOTOR READY

The R15, R15 SC and ProSport models are pre-wired for a 12V trolling motor.

COMPARTMENTS**
Tons of storage for all your gear, equipment, and a lockable side compartment for fishing rods.

**14 AND 16 PROSPORT
2 REMOVABLE FISHING CHAIRS**
These chairs offer full 360-degree rotation and let you customize the layout to suit your needs. They also provide the option to add extra seating.

R 15 AND R 15 SC

6' LOCKABLE SIDE ROD STORAGE

Lockable storage fits rods up to 6', or offers additional storage for your equipment.

R 15

FULL WINDSHIELD

Protects you from the wind while cruising down the lake, shields your face from spray, and means fewer lost baseball caps on every ride.

R 15 AND R 15 SC

CUSTOM SEATING CONFIGURATION

Arrange your seats to suit the day! Four for a crew, fewer for open deck, or any setup in between. This flexible base system keeps every passenger comfortable, no matter the layout.

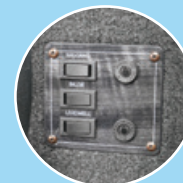

R 15 AND R 15 SC

ADDITIONAL FEATURES

HUMMINBIRD PIRANHAMAX 4

This reliable swivel fishfinder pinpoints fish and depths with vivid color clarity, Fish ID+ tech, and sunlight-ready display.

CONSOLE SWITCHES

Convenient console switches for your nav lights, bilge pump, and livewell pump.

2 DELUXE ROD HOLDERS

Our deluxe rod holders give you an easily accessible spot to hold your rod when you're waiting for that perfect bite.

HUGE BOW STORAGE

Spacious bow storage plus a 56-litre aerated bow livewell. Keep your gear organized and your catch fresh all day.

SPACE-SAVING TRAILER SWING TONGUE

With our space-saving trailer swing tongue, your trailer becomes shorter and takes up less space in your driveway or garage.

Towable. Fishable. Family Friendly.

Built tough with .100 gauge aluminum, but still just the right size to get into any lake you want. Easy to tow, and easy to fish from. The R 15 and R 15 SC have plenty of storage, and an easy-clean all-vinyl interior.

Legendary Strength.

Legend .100 Gauge Hull

While most aluminum boat companies use .058 to .090 gauge thickness on comparable models, our .100 gauge hulls are up to 73% thicker! With a super-thick .100 Gauge seamless hull bottom, your Legend boat will last longer with no potential for centre-seam leaks. While our .100 Gauge hulls provide unmatched thickness, our use of 5052 H34 cold-rolled aluminum provides the best combination of flexibility and strength.

XT AND XF ALL-WELDED SERIES CONSTRUCTION

All-Welded Series Transferable Warranty

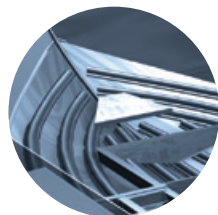

Every Legend XT and XF All-Welded Series model carries our industry leading Leakproof for Life Warranty. It is remarkably simple: it covers the entire structure of the hull against leaks through the hull for as long as you own the boat. Our exciting WOWranty extends coverage on all of our key components such as decking with a Lifetime Warranty against rotting and warping.

INTELLIFLEX HULL CONSTRUCTION

Flexes and adapts to the water by dissipating energy from waves evenly throughout the hull, eliminating any chance of problem areas developing over time.

EXCLUSIVE COMFORT RIDE DEEP-V HULL

Provides a dry, smooth and comfortable ride each and every time in all conditions provided by our sharply angled bow, deep V and reverse chines.

INTERLOCKING BOW RIBS

Overlap the front torsion system, eliminating a common weak point on most other aluminum boats.

REVERSE ANGLED CHINES

Are bottom side edges that angle downward to create lift in the back for faster planing and increased stability.

SOLID LOCKING EXTRUSIONS

Hold each thick hull piece into a solid center for unmatched durability. The center extrusion is over one inch thick providing an extremely solid 1,054 gauge impact zone. This means over 5 times the protection of double plated hulls.

2-PIECE HULL WITH NO SIDE SEAMS

Eliminates a common weak area that causes side seam leaking on other welded boats.

INJECTED LEVEL FLOATATION

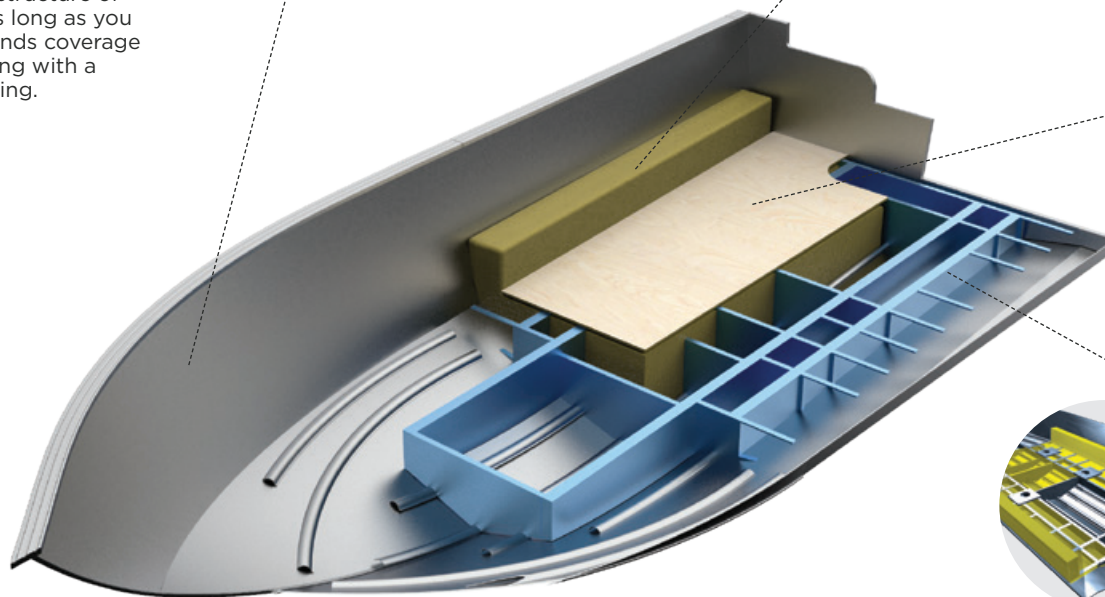

Not only will every Legend float even when filled with water, the injected foam creates a solid sub-floor bond that strengthens the boat and provides a silky smooth and quiet ride. Foam is injected halfway up the side-wall for extreme strength. Knock on it and see!

THICK LIFETIME DECKING

With a Lifetime Warranty against rotting or warping and delamination. A thicker floor with 7 individually treated layers means a stronger boat.

TORSION BEAM ENERGY TRANSFER SYSTEM

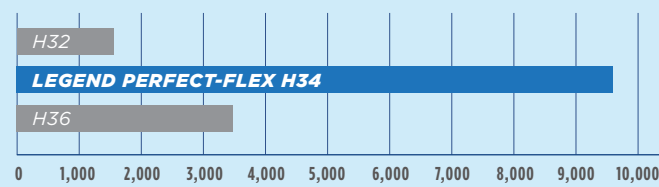

Provides your boat with necessary flexing, while remaining light and strong.

H34 PerfectFlex

Legend's H34 PerfectFlex aluminum has the perfect balance of strength and flexibility. Although H36 is harder, it is also more brittle. Its strength is reduced by over 80% when stressed during manufacturing or when flexed on the water. In fact, when stressed, H34 PerfectFlex is tested to be more than 2.5 times stronger than H36, making it the ultimate hardness for .100 gauge aluminum boat manufacturing.

Strength Under Pressure (PSI's)

H34 aluminum is tested to be more than 2.5 times stronger than H36, making it the ultimate hardness for aluminum boat manufacturing.

The NMMA Certified label on a Legend boat is your proof that it meets, and often exceeds, the industry's strictest quality and safety standards.

R SERIES CONSTRUCTION

R-Series Transferable Warranty

Each R-Series Riveted model has a Lifetime main seam hull warranty and an amazing 10 year warranty on most other hull components. Our exciting WOWranty extends coverage on all of our key components such as decking with a Lifetime Warranty against rotting or warping.

FULL-LENGTH MOLDED SPLASH RAIL

Deflects water away from the boat interior, providing a dry, comfortable ride. Fishing lines are able to slide along the hull edge smoothly where this rail is riveted on.

FULL-LENGTH DEEP-V HULL WITH SQUARED CHINES

Provides a smooth and comfortable ride while keeping the hull stable so you can move around without it feeling tippy.

EXTRA-WIDE EZ-GRIP GUNNEL

Makes holding the boat while getting in or out very easy and increases the overall strength of the hull.

LAP-STACKED SIDE WALLS

Full-length ridges pressed into the sidewall reduce flex and make for a stronger and sturdier boat.

THICK LIFETIME DECKING

With 7 layers, each individually treated, we can offer a Lifetime Warranty against rotting or warping.

INJECTED AND LEVEL FOAM FLOATATION

Provides a stronger, quieter and safer boat. If filled with water, the boat will not flip or sink, even when loaded to capacity.

INTERNAL LATERAL SUPPORT RIBS SPACED 9" APART

Gives you more ribs closer together creating greater support and strength.

3 EXTERNAL KEELS

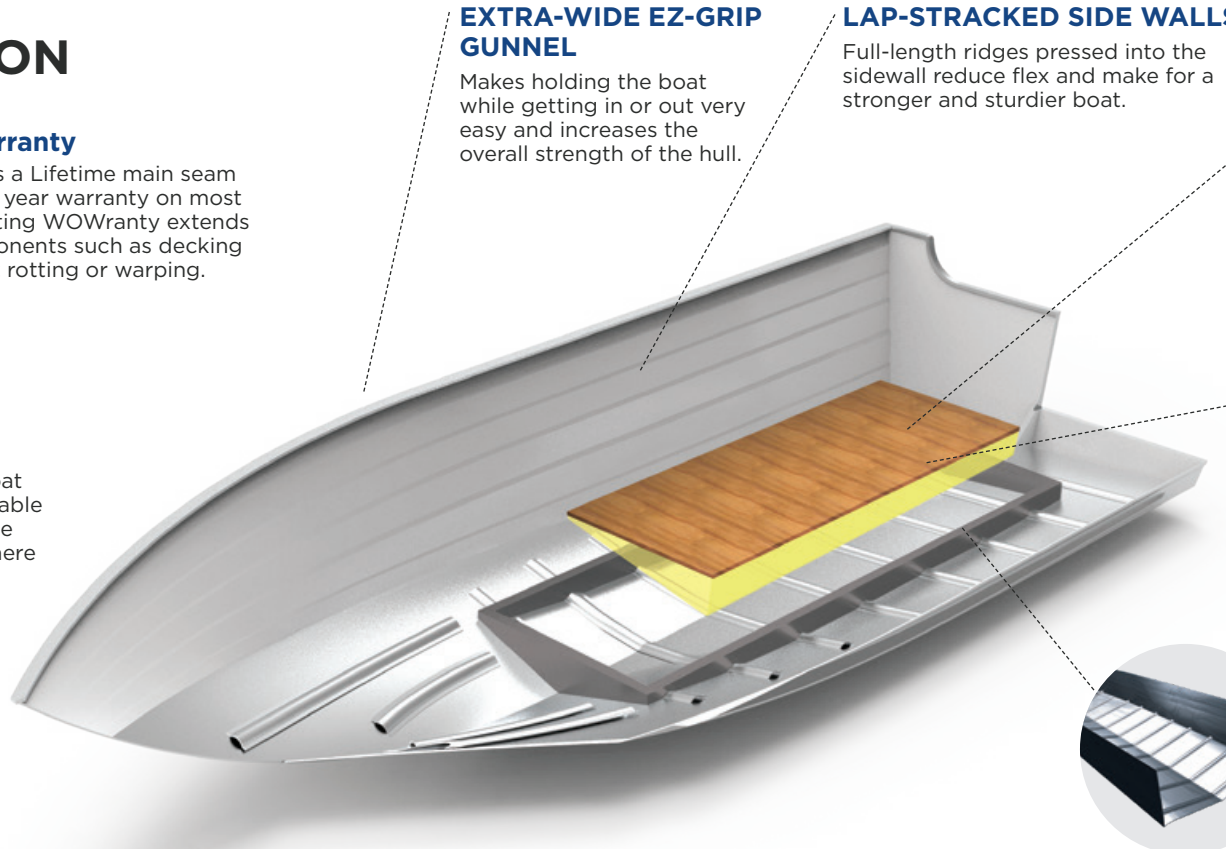

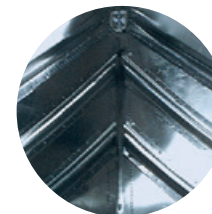

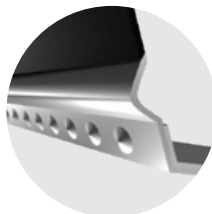

Provide stability, solid cornering and car-bumper-like protection from underwater obstacles.

SIDE-FACING RIVET LINE WITH LIFETIME WARRANTY

Reduces exposure to side seam stress in comparison to a bottom-facing rivet line.

REINFORCING BOW RIBS ATTACHED TO TRANSVERSE RIB

Are reinforced with .100 gauge aluminum that eliminates a common weak area found in the front of most boats.

TECH PACKAGE #1

FISHTECH 55 \$2,999

Plus Installation

The perfect entry-level upgrade. Fishtech 55 covers the basics with a Powerdrive 55/DSC and a Helix 7 Chirp MDI GPS G4N, securely bow-mounted via RAM.

Includes:

- Powerdrive 55/DSC/MR
- Helix Chirp 7 MDI GPS G4N
- Quick Release Bracket
- 60 A Circuit Breaker
- Micro Remote
- Ethernet Cable
- DSC Adapter Cable

- Bright 5-inch display
- Garmin CHIRP traditional sonar
- ClearVü scanning sonar with sharp, high-contrast views
- Built-in Garmin Navionics+™ mapping
- Wireless networking
- ActiveCaptain® app support for OneChart™ access, software updates, and Garmin Quickdraw™ Community data

GARMIN ECHOMAP™ UHD2 75SV, WITH GT54 TRANSDUCER **\$1,529** Plus Installation # 010-02686-00

- Crisp 7-inch display
- Garmin CHIRP traditional sonar
- ClearVü and SideVü scanning sonars
- LiveScope™ compatibility
- Vivid high-contrast colour palettes
- Built-in Garmin Navionics+™ mapping
- Wireless networking for sharing with other units
- ActiveCaptain® app with Wi-Fi® for OneChart™ access, updates, and Garmin Quickdraw™ Community data

ECHOMAP™ UHD2 95SV, WITH GT56UHD-TM **\$1,889** Plus Installation # 010-02690-00

- Large 9-inch display
- GT56UHD-TM transducer included
- Ultra High-Definition ClearVü and SideVü sonars
- 20% greater SideVü range at 1,000 kHz
- LiveScope™ compatibility
- Vivid high-contrast colour palettes
- Built-in Wi-Fi® connectivity
- Wireless networking for sharing with compatible ECHOMAP™ UHD2 chartplotters
- ActiveCaptain® app for OneChart™ access, updates, smart notifications, and Garmin Quickdraw™ Community data

FORCE® PRO TROLLING MOTOR, BLACK 57" **\$5,999** Plus Installation # 010-03011-10

Move fast, move quiet with the Force® Pro trolling motor, engineered with a powerful motor and Garmin's most precise positioning technology.

- 100 lbs of thrust from brushless motor
- Premium efficiency with longer run times
- Precise anchor lock with multi-band GPS
- Built-in GT56UHD-TR transducer for UHD ClearVü, SideVü, and CHIRP sonar
- Wireless controls via foot pedal, remote, or compatible Garmin smartwatch
- Lighted shaft indicator for low-light direction
- Scissor-style mount and 50/57-inch shaft lengths for bass boats
- Corrosion-resistant design for harsh marine environments.

FORCE® KRAKEN TROLLING MOTOR, BLACK 63" **\$5,369** Plus Installation

Engineered with a longer shaft for boats with high freeboards and a pivot-style mount for easy installation in vessels where bow space is limited.

- High Powered (100lbs of thrust)
- Efficient brushless motor with longer run times
- Extremely quiet operation
- Built for rough open water (24/36V)
- Corrosion-resistant composite shaft
- Pivot mount and multiple shaft lengths for deep-V hulls
- Designed to endure harsh saltwater conditions.

010-02573-00

MARINCO TROLLING MOTOR 70A PLUG AND RECEPTACLE **\$160** Plus Installation

Garmin recommended plug and receptacle for 24-36 volts.

69-12VPCS3

Built-in Sonar: The improved all-in-one GT56UHD-TR transducer, so you can see everything around your boat with brilliant high-definition scanning sonar and extremely low levels of sonar noise.

SmartCraft Connect Mobile streams live engine data via Bluetooth® to your smartphone or tablet, unlocking powerful insights and digital performance features for your Mercury or Avator® outboard.

8M0173128

MERCURY HYDRAULIC STEERING KIT \$3,500

Plus Installation

High-performance hydraulic steering systems improve handling and comfort on a wide range of vessels. Available for 40-300hp Mercury outboards.

Mercury Hydraulic Steering Kit

ACTIVE TRIM \$1,080 # Part Number

Plus Installation

Hands-free, automatic engine trim system that uses GPS and speed data to adjust trim in real time. Improves performance, fuel efficiency, and handling with precise responses to boat movements. No knowledge of trimming an engine is needed!

Key Features:

- Automatically trims the engine out as the boat accelerates and in as it decelerates for optimal performance.
- Active Trim can be overridden at any time by using the manual trim buttons.
- Adjusts for load changes, driver preferences, and weather while staying fully automatic.
- Compatible with Mercury FourStroke outboards 40 hp and up.

TROLL CONTROL KIT \$399

Plus Installation

A troll control option for boats with traditional, analog gauges from 40 hp and up. This easy-to-install kit can make controlling the boat/engine speed easy with the push of a button. Adjusts speed by 10 RPM up to 1,000 RPM. Also available without "Y" harness for installations with SmartCraft.

TROLLCONTROLKIT

DEEP CYCLE BATTERIES (24 SERIES AND 27 SERIES)

Deep Cycle (24 Series): Group 24 550 CCA and 140 minutes of reserve capacity. \$209

24DPM

Heavy-Duty Deep Cycle (27 Series): Group 27 650 CCA and 175 minutes of reserve capacity. \$239

27DPM

OUTBOARD LOCK 25HP AND UP \$85

Heavy-duty steel lock to secure your outboard with total confidence.

Keep your Legend looking legendary.

Advanced surface protection helps guard against fading, staining, and wear, preserving the look and value of your boat season after season.

SCAN BEFORE IT'S TOO LATE! LEARN HOW THIS INVISIBLE SHIELD PROTECTS YOU.

6-YEAR WOWRANTY

A warranty that makes you say WOW!

Sure we've always had the industry's best warranties on the structural parts of our boats, like the welds, main riveted seams, decks and transoms, but what about everything else in your boat? Well, most companies offer a 1 year warranty on the other stuff and some offer up to three years.

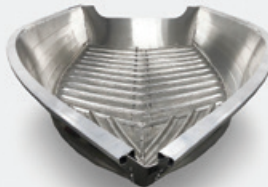

Although this is very respectable, we figured we'd double that. Legend's 6-Year WOWranty covers most other components for 6 long years. That gives you a lot of worry-free, quality, memory-makin' time.

For more details, visit
www.legendboats.com/wowranty

**All-Welded Series
Leakproof For
Life Warranty**

Every Legend All-Welded model carries our exciting and industry-leading Leakproof for Life Warranty. It is remarkably simple. It covers the entire structure of the hull for as long as you own the boat. In fact it's the kind of warranty you won't find on any other aluminum boat. Plus it is transferable, giving the second owner up to 10 years of protection.

**Riveted Series
Lifetime Main Seam
Warranty**

Each Riveted model has a Lifetime Main Seam Hull Warranty and an amazing 10-year warranty on most other hull components. This industry-leading warranty is transferable, giving the second owner up to 10 years of protection.

**Lifetime Floor
Warranty**

A thicker floor means a stronger boat. With 7 layers of marine-grade plywood, each individually treated, we can offer a lifetime warranty against rotting.

**Legend ProTech
3+1 Year Canvas
Warranty**

Legend ProTech All-Synthetic Tear and Mildew-Resistant Material is backed by a 3 Year Warranty and guaranteed not to rot or fade for 3 years. Stitching, zippers, seams and other top components are covered for 1 year.

**Legend Glide-On
Trailer Warranty
5+1 Year**

Every Legend Glide-On trailer by Shoreland'r is backed by a 5-year frame warranty and a 1-year "tongue-to-tail light" comprehensive warranty.

**3-year Mercury
Warranty**

Every Mercury 4-stroke outboard is backed by a 3-year standard limited warranty for total peace of mind. Ask us about our ToyProtection Plan to extend your factory coverage for up to 6 years.

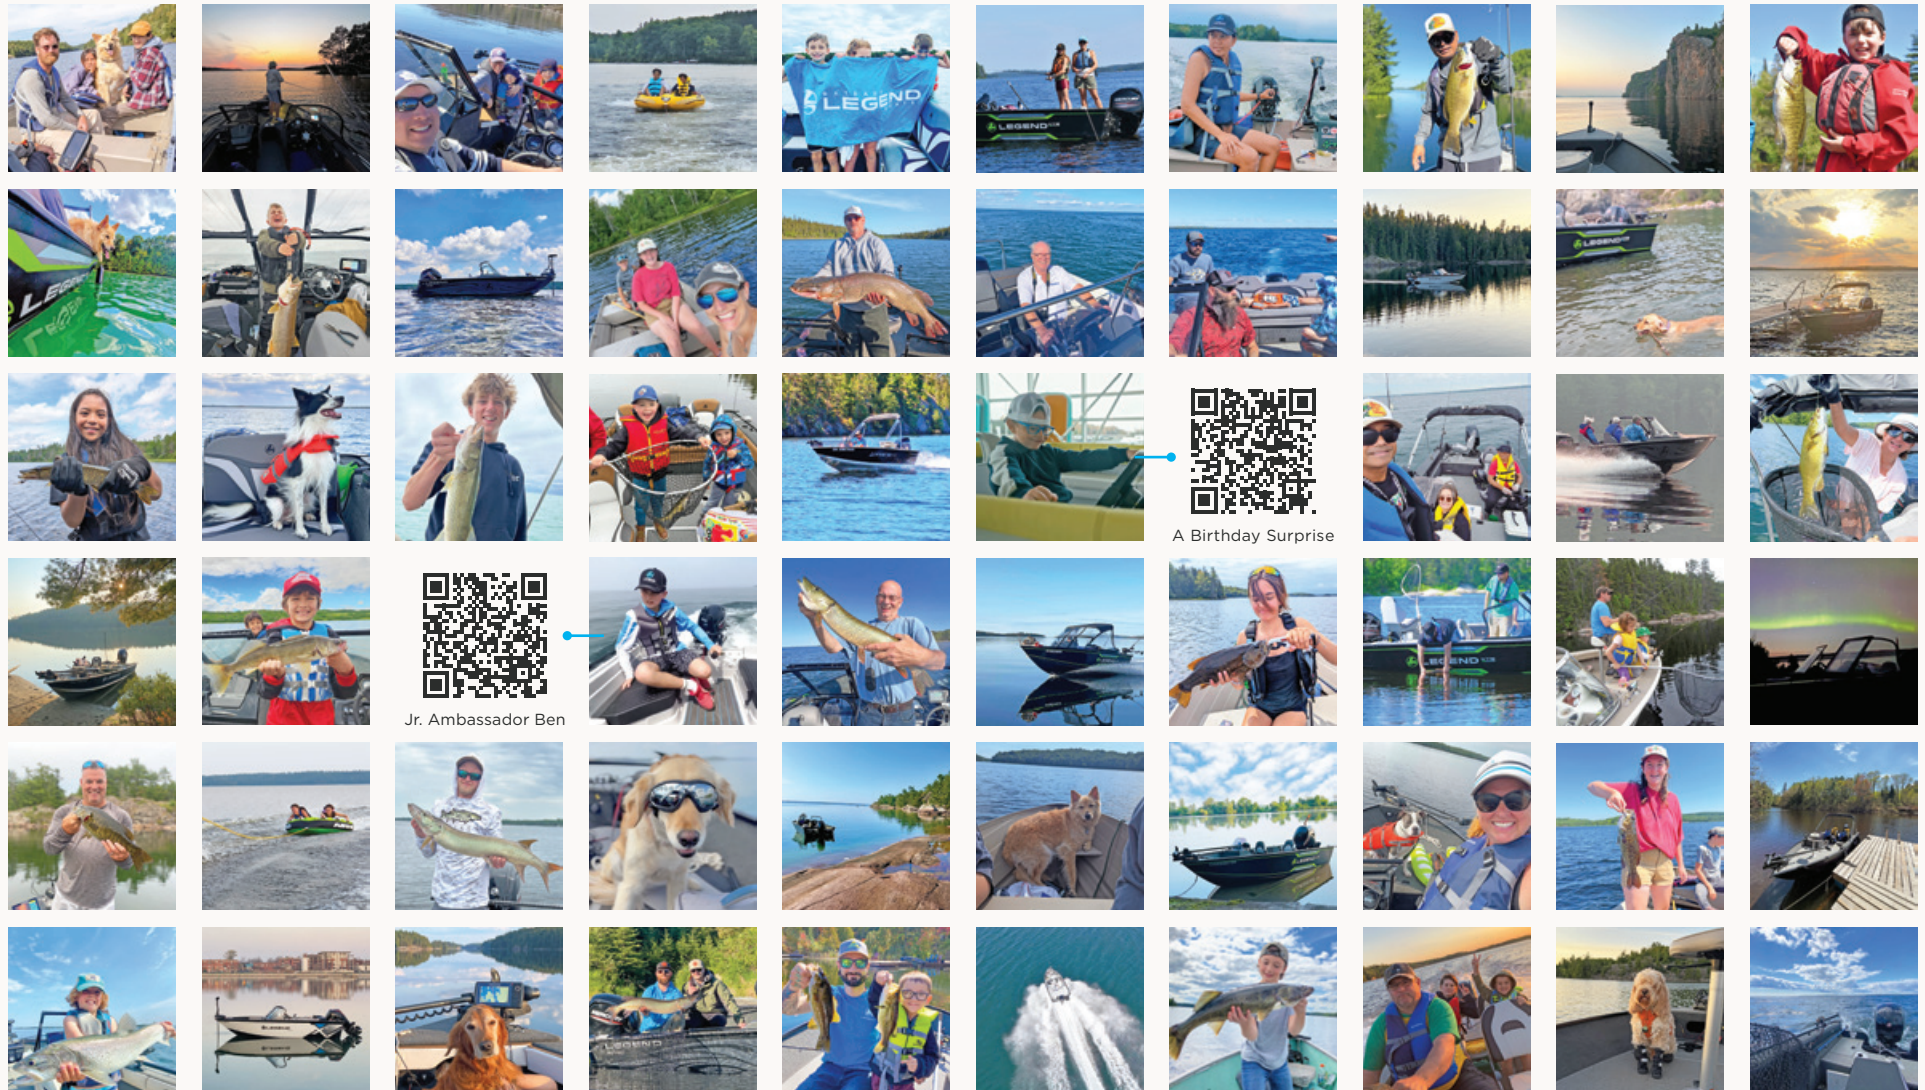

The Legend Time Capsule

Introducing the Legend Time Capsule, a new and exciting addition to our annual catalogue! At Legend Boats, our mission has always been to Create Memories, and this year, we've found a unique way to celebrate those cherished moments. The Time Capsule is more than just a page in our catalogue; it's a tribute to the incredible experiences our valued customers have had on the water, a way to connect our community, and an inspiration for new adventures.

Freight Charges by Zone.

Zone	ON, QC	MB, NB, PE, NS	SK	AB	BC	NL
Utility Boat Only	No Fee	\$600	\$650	\$1,100	\$1,250	\$1,400
Boat Package Under 19'	No Fee	\$1,200	\$1,400	\$2,100	\$2,400	\$3,500
Boat Package 19' and Over	No Fee	\$1,350	\$1,600	\$2,250	\$2,600	\$4,200

*We only print one version of our catalogue for all of Canada. Customers outside of Ontario and Quebec will have a small fee for freight. Visit us at legendboats.com for your local, ALL-IN, No-Fee Price including current promotions and current premium package pricing.

No Fee Setup and Orientation

All of the components of your boat, motor, and trailer package have been specially chosen for compatibility. The professionals at your authorized Legend Dealership will help you select the proper motor and options for your package. They will then prepare your package to ensure proper and worry-free operation.

Side console and full windshield models:

The setup includes the following items: control box, shift cables, starting battery, aluminum propeller, outboard installation and set-up. Your dealer will prepare your package and give you a full orientation to ensure trouble-free boating from day one.

Tiller models and Utility models in packages:

The setup includes the following items: outboard installation and setup, propeller, fuel tank, starting battery on packages with electric start motor or utility boat models with lights or livewells. Your dealer will prepare your package and give you a full orientation to ensure trouble-free boating from day one.

* Freight charges outside of Zone 1 (Ontario and Quebec), licenses, and taxes are extra on all prices. Delivery is available at an additional cost. Payments are calculated with licenses, bank registration charges, and taxes as your down-payment at 8.99% over 1,040 weeks for amounts \$23,000 and higher, 9.99% over 780 weeks for amounts between \$10,000 and \$22,999, and 9.99% over 364 weeks for amounts less than \$10,000 (at time of printing). All financing is OAC. Payments will vary by province. All Choose your power prices are in addition and only available with the purchase of the specific package they are listed with; they are not stand alone motor prices. Towing weights are approximate and are calculated based on a full tank of fuel and 200 pounds for batteries and gear. Speed tests were done with 2 persons, 50 pounds of gear and proper weight distribution. Actual performance may vary. Prices, rates and specifications are subject to change or error. Pictures may show options. Ask for complete details. All illustrations, photographs and specifications in this catalogue are based on the latest product information. See actual boat for complete accuracy. Legend reserves the right to make changes at any time, without notice, in prices, colours, materials, equipment, specifications and models, and to discontinue models or equipment. For information on accessories, contact your local Legend dealer.

Please refer to your provincial laws regarding trailer brakes and ensure that your boat package and tow vehicle comply with the regulations in the provinces you intend to travel in. Brakes may be required in certain circumstances and can be purchased as an option or your trailer model can be upgraded before delivery if brakes are not available on certain trailers. It is your sole responsibility to ensure you comply with all provincial brake requirements for vehicles and also that you always operate your tow vehicle safely. Legend Boats accepts no responsibility with regards to provincial compliance.

At legendboats.com, you'll find a fully-priced electronic version of our catalogue as well as additional pictures and special offers. Always distribute passengers and cargo evenly, wear a PFD and follow the rules for safe boating. Visit: www.tc.gc.ca/boatingsafety

Choose Your Power.

Ask your Legend dealer to help you select the Mercury outboard that best suits your needs from the motor choices below. Use the chart that corresponds with the standard engine packaged with your boat model. Simply add the amount to the standard package price to have the motor that is perfect for you.
