

LEGEND
BOATS®

PONTOON BOATS
FULLY-PRICED BUYING GUIDE **2026**

Our Story

Four Decades of Creating Memories on the Water.

Legend Boats has spent 40 years helping Canadians create memories on the water. What started in 1986 with Vic Duhamel and Carl Dewar has grown into one of Canada's most trusted marine brands. Their mission was clear from day one: make boating easier, better, and more accessible for Canadian families. Today, that legacy continues.

Over four decades, Legend has grown from simple aluminum boats to a full lineup of fishing boats, deck boats, pontoons, rotomoulded boats, and a premium pontoon brand. Canadians have caught their first fish, pulled their first skier, and taken countless family trips in a Legend. As we mark 40 years, we are proud of our past and focused on the future, with smarter layouts, modern styling, and thoughtful details.

To our customers, partners, and the entire Legend family, thank you. Thank you for 40 years of trust, loyalty, and shared memories.

Here's to countless more sunrises, more casts, more laughs, and more memories together.

A Message from Our Team

At Legend, our purpose is simple and lasting. Create memories that bring people closer together. Everything we design, build, and deliver moves toward that mission. Value matters. Families should feel confident that they're getting more boat, more thought, and more quality for their investment. We focus on smart features, practical layouts, and pricing that makes sense, because boating should feel within reach, not out of it.

We also believe the experience should be easy. From the moment someone starts shopping to the day they launch, our goal is to remove friction. Clear information. Helpful guidance. Boats that are ready to enjoy. When we make things easier, people spend less time figuring it out and more time on the water.

But the real reason we do what we do are the moments that happen on the water. Kids learning to ski. Friends laughing on the boat. Quiet mornings fishing. These moments stay with people, and we're proud to be a small part of them.

Thank you for considering Legend. We'll keep working hard to build value, simplify the experience, and support the memories that matter most.

Marc Duhamel
Jamie Dewar
Co-CEOs, Legend Boats

Our mission is to Create Memories.

Whether we are working on a cool new design, adding an innovative feature, or squeezing in that extra bit of value, all we're thinking about is providing you with the ultimate boating experience, and creating memories that will last a lifetime.

Did you know that the Legend headquarters is in Whitefish, Ontario? We have knowledgeable representatives available to answer your questions and direct you to your nearest Dealer. Call our toll-free number, 1.800.461.4050 and start on the path to finding your new boat.

Are You All-In? CANADA'S ONLY FULLY-PRICED CATALOGUE, SINCE '87.

In a world where we are bombarded with fees, surcharges and extras, wouldn't it be nice if a company would just tell us what it's going to cost up front? Legend Boats is that company. Our prices are All-In!

That's right! No administration fees. No hidden freight fees. No rigging fees. Since 1987, our customers have enjoyed having full package pricing at their fingertips so they could figure out what their perfect boat or pontoon boat

was going to cost right down to the penny. Now, there's no more figuring out. With one simple up-front price, you choose your motor and any options you want, then simply add the taxes. We would have gotten rid of those too but we thought it may have been frowned upon. It really couldn't get any more simple, open, honest or transparent, and we feel that you will appreciate our All-In Pricing.

*We only print one version of our catalogue for all of Canada. Customers outside of Ontario and Quebec will have a small fee for freight. For details, visit us at legendboats.com for your local, ALL-IN, No-Fee Price including current promotions.

We do things a little differently.

Is Legend Canadian?

Yes. We are a Canadian company. We live and play where you do. We understand boating in the unique Canadian wilderness. It's different here, and that's why each and every model is designed by Canadians and built for Canadians. From thicker aluminum to full stand-up tops, we make sure that Mother Nature is no match for your Legend.

Are Legend boats built in Canada?

Yes and No. Our product developers seek out quality manufacturers throughout North America who can produce in the most cost effective way. By outsourcing component manufacturing and then performing all final assembly, sales, service, and warranty right here in Canada, we ensure that the end product is fit for the Great Canadian outdoors.

Are the printed catalogue prices MSRP?

No. The printed price is our hassle-free, lowest price. We provide it up front, so there's no need for uncomfortable negotiations. To top it off, aside from a small variance in freight, our low prices are the same across Canada. Now you can make an informed, easy, and no-pressure decision in the comfort of your own home.

It seems like everyone's warranty is pretty much the same. Is that the case?

Well, at first glance it appears that most companies are offering some sort of lifetime warranty, and it's easy to assume that all warranties are the same, but the devil is in the details. By details, we're talking about the fine print. Our 5 | 10 | Lifetime WOWranty including our Lifetime tube, deck and transom warranties give you the absolute best warranty coverage, bar none. Not only do we cover more stuff for longer, but the best part is that everything is taken care of right here in Canada.

Someone told me Legend boats are underpowered. Is that true?

No. You can actually power your boat with the engine of your choice. Each Legend boat model is designed and packaged with a Mercury motor large enough to get you and a friend on the water to experience the boating lifestyle with minimal investment. We understand that everyone's boating needs are different, and that the packaged motor may not suit your needs. That's why we make it easy to choose the perfect Mercury outboard to power all of your on-water activities. So, whether you want to troll all day, bring the kids tubing, cruise with your family or pull two water skiers, we'll help you select the engine that's just right.

Why do you only package your boats with Mercury outboards?

We partner exclusively with Mercury because of their proven quality, value, reliability, service and features. With the large number of clients we help onto the water each year in Canada, other outboard manufacturers would love us to package with their brand. Mercury appreciates our business so much, they offer us exclusive savings that we simply pass on to you. That's how we package with the oldest, largest, number one outboard engine brand at such an incredible price. On top of a great price, by purchasing a complete custom package you'll enjoy consistent performance and one-location servicing.

You claim your quality is good but your prices are affordable. How is that possible?

You get what you pay for right? Well in most cases, yes. But at Legend, we never sacrifice quality in order to reduce cost. Our use of quality brand name products in our packages such as Shoreland'r trailers, Minn Kota and Garmin trolling motors and Mercury outboards - the largest brands in boating - speak for themselves. To keep prices low, we build fewer models in higher volumes and package each model with the same popular features. By purchasing thousands of each component, such as full stand-up tops, fish finders and GPS's, we can offer you unbelievably high quality at affordable prices. That's how we do it.

Why doesn't everyone put pricing in their catalogues?

That's a great question. We don't know. It could be because it takes a lot more work and effort to include all of the details required when you're sharing a price. Or, perhaps nobody else does it because they have something to hide. But we're only guessing. All we know is that we're so confident that we offer the absolute best value in Canada that we publish our complete, hassle-free, All-In pricing for all to see. You can find our prices in our full line brochure, on our extensive website and in all of our advertisements. We even print the pricing of our most popular options so you can "build" your own Legend. Nothing is hidden and it's all in Canadian dollars. We've done the work for you and given you our lowest price right up front.

LE SERIES

Combining affordability and quality. Perfect for families and adventurers alike.

The LE Series blends affordability and quality, giving you everything you need to get out on the water. Comfortable seating, Fusion sound systems, stainless steel telescoping ladders, stainless cup holders, and Bimini tops come standard. With a variety of layouts to fit your lifestyle, there's an LE model for everyone.

LE SERIES LE 17 RS • LE 19 RF • LE 19 QL[†] • LE 21 QL[†] • LE 21 CRL[†]

[†]Premium Edition Upgrade Available

INTEGRATED CHANGEROOM

Convenient privacy station to change while out on the water. Standard on 19' and 21' LE models.

STEERING WHEEL WITH TILT

Precision control with adjustable tilt to match your driving style. Easily customize your grip and posture for comfortable handling on every trip.

SPORT CAPTAIN'S CHAIR

The Sport Captain's Chair offers supportive comfort and a sleek, performance-inspired design, featuring a seat slider to customize it to fit your needs.

COMFORTABLE SUSPENSION SEATING

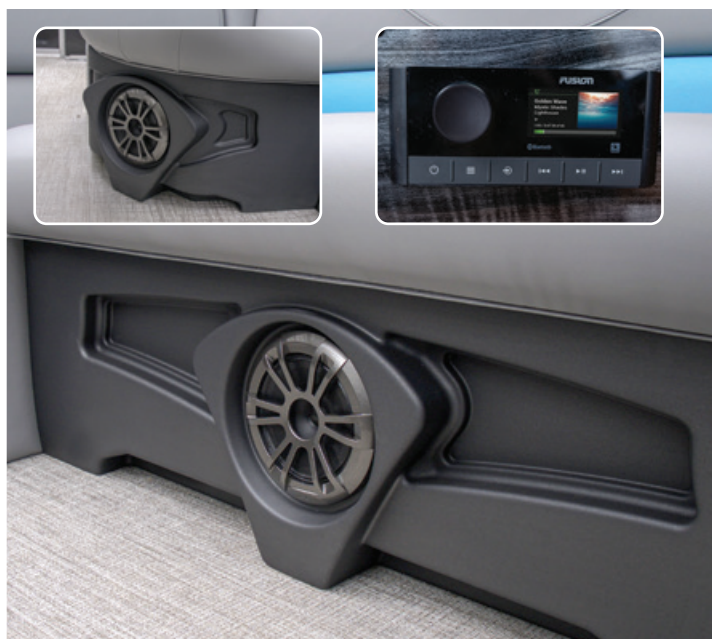

Hammock-like suspension seating with under-seat storage throughout the entire boat, plus stainless steel cupholders placed exactly where you need them.

*Premium Edition pictured

PREMIUM STAINLESS TELESCOPING LADDER

Get in and out of the water in ease with the Premium Stainless Telescoping ladder.

PREMIUM FUSION® RA-60 STEREO

Premium Fusion® RA-60 stereo with Bluetooth® and four Fusion EL speakers delivers rich, immersive sound throughout the boat so that you can take your playlist with you out on the water.

EXTENDED DECK WITH 2 FISHING CHAIRS

Two dedicated fishing chairs at the bow provide a stable, comfortable spot for anglers to cast and reel in their catch.

Available on all LE Series models

GREYWOOD KIDNEY TABLE WITH BASE

Play games or enjoy a snack in style with the greywood kidney table with 2 convenient cupholders.

LE 19 RF REAR FISHING STATION

Two swivel fishing chairs with a rear fishing station equipped with 4 rod holders, and an integrated 31 L aerated livewell to hold your catch of the day.

REAR EXTENDED DECK

Extending the rear deck makes docking on either side easier, creating additional space for water sports, fishing or jumping into the water.

BOW USB CHARGING PORT

Built into our bow lounge, for convenient front-seat power.

CHROME NAVIGATION AND DOCKING LIGHTS

Bright navigation and docking lights in durable chrome finish for safe low-light runs and easy boarding from sunrise to sunset.

EXT UNDER-SEAT LIVEWELL

This 31 L Livewell comes as part of the EXT upgrade on most models.

PREMIUM EDITION UPGRADE

AVAILABLE FOR THE LE 19 QL,
LE 21 QL AND LE 21 CRL MODELS

UPGRADED 25" DIAMETER PONTOONS

The extra 2" diameter delivers even greater buoyancy and enhanced stability, ideal for bigger groups or longer outings.

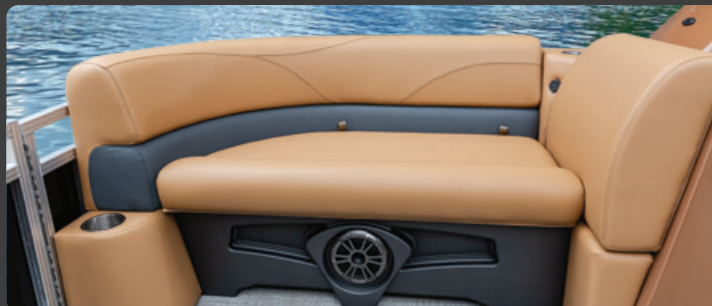

UPGRADED ROUNDED FENCES AND GRAPHICS

Rounded fencing and upgraded couches add smooth curves and a modern, elevated look.

GARMIN® 72SV GPS AND FISHFINDER

Refined console upgrade with a seamlessly embedded 7" Garmin® GPS with Canadian mapping.

PREMIUM COGNAC FURNITURE PACKAGE

Rich Cognac upholstery with KoolFab charcoal accents blends modern durability and warm, refined style.

SPORT PACKAGE UPGRADE

Want your Premium Edition with a triple tube?

The triple pontoon configuration delivers greater stability, enhanced handling, and superior performance for a smoother, more confident experience on the water.

EXCLUSIVELY AVAILABLE FOR THE 21 QL
AND 21 CRL PREMIUM EDITION MODELS

- Upgraded Mercury 90 ELPT 4-Stroke
- 3rd 25" full-length center pontoon tube
- 4 High Performance Pontoon lifting fins
- Aluminum waveshield
- 144 Litres (38 Gallon) direct-fill fuel tank
- UFlex hydraulic steering
- Ski tow bar

2026 LE SERIES CONSTRUCTION

The LE Series pontoons deliver unmatched durability and thoughtful engineering from bow to stern. Built with robust aluminum substructures, advanced sealing for lifelong dryness, and innovative ventilation systems, every detail ensures a smooth, stable ride. Enjoy superior strength, easy maintenance, and premium comfort that stands the test of time on the water.

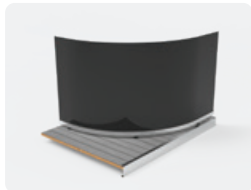

ALUMINUM SEAT FRAMES WITH EZ-FLOW VENTILATION

All Legend pontoons offer a specialized air-management system designed to combat the “moisture trap” common in traditional pontoon storage. By using exclusive aluminum seat frames with integrated external and internal vents, Legend ensures constant airflow even when the boat is docked or covered, unlike rotocast bases that trap moisture against decks and have no ventilation.

THICK LIFETIME DECKING AND HIGH-PERFORMANCE HAT CHANNELS

Legend utilizes premium 7-ply marine-grade plywood reinforced with waterproof sealant that blocks moisture while absorbing vibrations for a quieter ride. These sheets are through-bolted to high-performance HAT channels, providing a wider, more stable foundation than standard C-channels. For maximum rigidity, heavy-duty U-bars reinforce high-stress bow and stern areas to prevent deck twisting, all backed by a limited lifetime warranty.

THICK 40-GAUGE QUIET AND RAISED FENCES

All thick .40-gauge fence panels are installed with anti-vibration foam to keep them quiet. They are installed with 3/8” risers to provide water runoff and exceptional ventilation.

SUSPENSION SEATING

This unique suspension seating is made up of a multi-directional stretch substructure backing, an added adhesive layer, followed by a heavy marine grade vinyl making a 50-ounce total vinyl covering, giving your passengers a smoother ride every time.

EZ-DRAIN TUBES

Each section of the tubes are connected to one another by a small channel that allows any condensation to drain completely to the back of the tube and out of our Sure-Lock threaded drain plug.

STAINLESS STEEL FASTENERS

Stainless steel fasteners are used to attach the decking to the substructure, providing a far stronger hold than pop rivets for years of problem-free boating.

UNMATCHED NOSE CONE DURABILITY

Our nose cones feature an industry-leading double-wrapped leading edge that provides a massive .200-gauge thickness for superior impact protection against debris and waves. Unlike competitors, our splash fins are integrated directly into the cone’s structure rather than welded on, making them virtually impossible to break off while ensuring a much drier ride. This design is finished with a unique welded edge guard that eliminates sharp aluminum corners, prioritizing both passenger safety and long-term durability.

SHIELDED STRENGTH: THE STRATEGIC ADVANTAGE OF IN-DECK NOSE CONES

By tucking the nose cone tips beneath the heavy-duty deck trim, Legend ensures the deck strikes the dock first, shielding the pressurized pontoons from direct impact and puncture. This recessed placement prevents “spear-heading” accidents while maintaining a clean, aerodynamic profile that protects critical weld points from unnecessary stress.

ROBUST CONSTRUCTION

This solid frame construction includes a double bolted transom, double solid full risers that are all connected together with double bolted 0.125” hat-channel crossbeams on 2-tube pontoon models or .190” hat-channel crossbeams on 3-tube pontoon models. We use .250” U-bars at the bow and stern for unbeatable strength.

TRIPLE-PROTECTED TUBE DESIGN

Our pontoons are divided into three separate compartments and sealed, making them air tight even in the event of a puncture. If the air can't get out, water can't get in.

2026 LE SERIES FLOOR PLANS

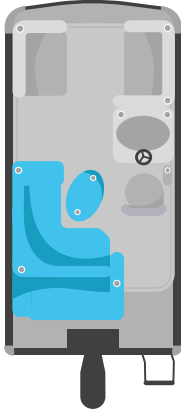

With four versatile layouts, Rear Sofa, Rear Fish, Quad Lounge, and Convertible Rear Lounge, customers can choose the perfect setup for their adventures. Whether they're casting a line, relaxing in the sun, or cruising on the lake, our pontoons offer a comfortable and enjoyable experience for everyone. It's all about creating special moments with loved ones on the water.

**WANT MORE SPACE?
MAKE IT AN EXT.**

Add 2' to your pontoon with an extended front deck, including two removable fishing chairs with seat sliders. There's no need to compromise between family time and fishing time. Get more space, more capacity and more flexibility with an EXT.

 Max. Persons:	6	7	7	9	9

WHICH CONFIGURATION IS RIGHT FOR YOU?

By breaking down the standard pontoon boat layouts, it will help you filter down to the pontoon that is best suited for your needs. No matter your preference, there's a Legend Pontoon just for you.

RS Rear Sofa

Features an L-shaped rear couch, two front couches, and a rear-facing bench seat to watch all the action from.

RF Rear Fish

Features a rear fishing station with dual fishing chairs, an L-shaped couch and two front couches.

QL Quad Lounge

Features four full-length chaise lounges in an open, balanced floor plan. Every passenger gets a real seat, not a compromise. The quad lounge maximizes usable space while keeping clear walkways and great sightlines throughout the boat.

CRL Convertible Rear Lounge

Features front chaise lounges, driver and passenger sport captain's chairs, oversized dinette table and a convertible 4-position rear lounge. This layout offers ultimate flexibility.

Cruise, Fish or Relax. Affordable. Hassle-Free.

Whether you're looking to cruise in comfort or to cast out a line, the LE 17 RS and LE 19 RF give you the best of both worlds, with dedicated loungers and dedicated rear fishing spots. If you want the ultimate 4-point fishing pontoon, extend either model with the Extended Front Fishing Deck.

Q SERIES

Experience unmatched comfort, style, and innovation with the Q Series.

The Q Series blends effortless handling, durable construction, and all the practical features needed for a memorable time spent on the water. It's designed for families and friends who want reliable, spacious, and fun memories out on the water. With a variety of layouts to fit your lifestyle, there's a Q Series model for everyone.

Q SERIES Q 21 C • Q 21 RF • Q 21 RSS • Q 23 QL • Q 23 CRL

LOUNGE SEATING

Spacious bow lounge seating with plush cushioning and suspension seating is designed for comfort and relaxation on the water.

SPORT MID-BACK CAPTAIN'S CHAIR WITH ARMREST

Comfortable sport-style mid-back chair with armrests, perfect for relaxed seating on the boat.

PREMIUM FUSION AUDIO WITH SIX SPEAKERS

Premium audio setup with a Fusion RA-210 with Bluetooth®, six Fusion EL speakers, and a dedicated Fusion Zone amplifier. Includes USB and AUX inputs for seamless music streaming on the water.

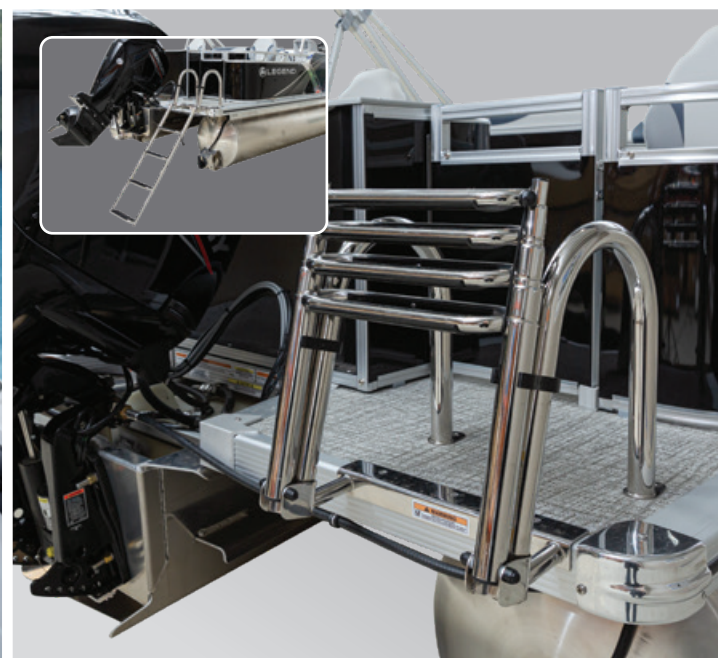

GARMIN® 52SV GPS WITH CANADIAN MAPPING

Refined console with a seamlessly embedded 5" Garmin® GPS, blending advanced navigation with a sleek design.

MODERN ROTOCAST WRAP-AROUND CONSOLE

Sleek Crew Rotocast silver console with Mercury SmartCraft gauges and mechanical tilt steering for precise control.

PREMIUM STAINLESS TELESCOPING LADDER

Get in and out of the water with ease with the Premium stainless telescoping ladder on all Q Series models.

EVERY Q SERIES MODEL IS AVAILABLE IN TWO GREAT COLOURS:

Steel Blue with Black
Metallic Wall Skins

White Flake with Black
Metallic Wall Skins

TILT STEERING

Easy to control and customizable to fit your driving preference.

INTEGRATED CHANGEROOM

Convenient privacy station to change in or out of your swimsuit while out on the water.

OVERSIZED BIMINI TOP

Provides shade and comfort on hot sunny days. This large bimini comes standard on all Q Series pontoons, ready for all-day protection.

Q 21 RF REAR FISHING STATION

Two swivel fishing chairs with a Rear Fishing Station equipped with an aerated livewell to keep your catch of the day, plus 4 rod holders and a built-in storage compartment for all your fishing gear.

EASY ACCESS BOW, PORT SIDE AND STERN GATES

Easily board or exit the boat from multiple sides.

COURTESY LIGHTS

Added interior lighting for those late evenings or early mornings, making moving around and finding your gear as easy as possible.

PREMIUM MATERIALS

2000 Series Furniture and upgraded Captain's chairs with armrests.

STAINLESS CUP HOLDERS

Plenty of cupholders throughout the entire boat to keep your beverages cold, safe and secure.

PERFORMANCE

25" Pontoon tubes with 2 or 3-tube options for ultimate stability and speed.

UNDER-SEAT STORAGE

An abundance of storage under every seat so you can store everything you need for a great day out on the water.

REAR ADJUSTABLE LOUNGE SOFA/BED

Convertible Rear Lounge. Shift from a forward-facing bench with a rear lounge into a full-size lounging sundeck to soak up the sun or take that well-needed afternoon nap.

CHROME NAVIGATION AND DOCKING LIGHTS

Bright and durable for safe low-light runs and easy boarding, from sunrise to sunset.

BOW USB CHARGING PORT

Built into our bow lounge, for convenient front-seat power.

LARGE GREYWOOD KIDNEY TABLE WITH BASE

Plenty of surface for games and snacks! With two stainless cupholders, built-in card/phone holders, and sleek finish, this table offers style and convenience.

SPORT PACKAGE UPGRADE

Want your Q series model with a triple tube?

Upgrading to a **triple tube** and a higher horsepower will give you better handling and performance so you can ski, wakeboard and tube with ease. Each Q-Series model is available for a triple tube upgrade.

AVAILABLE ON ALL Q SERIES MODELS

- Upgraded Mercury 115 ELPT 4-Stroke
- 3rd 25" full-length center pontoon tube
- 4 High Performance Pontoon lifting fins
- Aluminum waveshield
- 144 Litres (38 Gallon) direct-fill fuel tank
- UFlex hydraulic steering
- Ski tow bar

2026 Q SERIES CONSTRUCTION

The Q Series pontoons deliver unmatched durability and thoughtful engineering from bow to stern. Built with robust aluminum substructures, advanced sealing for lifelong dryness, and innovative ventilation systems, every detail ensures a smooth, stable ride. Enjoy superior strength, easy maintenance, and premium comfort that stands the test of time on the water.

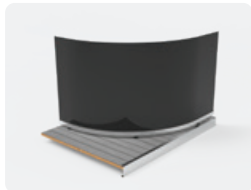

ALUMINUM SEAT FRAMES WITH EZ-FLOW VENTILATION

All Legend pontoons offer a specialized air-management system designed to combat the “moisture trap” common in traditional pontoon storage. By using exclusive aluminum seat frames with integrated external and internal vents, Legend ensures constant airflow even when the boat is docked or covered, unlike rotocast bases that trap moisture against decks and have no ventilation.

THICK LIFETIME DECKING AND HIGH-PERFORMANCE HAT CHANNELS

Legend utilizes premium 7-ply marine-grade plywood reinforced with waterproof sealant that blocks moisture while absorbing vibrations for a quieter ride. These sheets are through-bolted to high-performance HAT channels, providing a wider, more stable foundation than standard C-channels. For maximum rigidity, heavy-duty U-bars reinforce high-stress bow and stern areas to prevent deck twisting, all backed by a limited lifetime warranty.

THICK 40-GAUGE QUIET AND RAISED FENCES

All thick .40-gauge fence panels are installed with anti-vibration foam to keep them quiet. They are installed with 3/8” risers to provide water runoff and exceptional ventilation.

SUSPENSION SEATING

This unique suspension seating is made up of a multi-directional stretch substructure backing, an added adhesive layer, followed by a heavy marine grade vinyl making a 50-ounce total vinyl covering, giving your passengers a smoother ride every time.

EZ-DRAIN TUBES

Each section of the tubes are connected to one another by a small channel that allows any condensation to drain completely to the back of the tube and out of our Sure-Lock threaded drain plug.

STAINLESS STEEL FASTENERS

Stainless steel fasteners are used to attach the decking to the substructure, providing a far stronger hold than pop rivets for years of problem-free boating.

UNMATCHED NOSE CONE DURABILITY

Our nose cones feature an industry-leading double-wrapped leading edge that provides a massive .200-gauge thickness for superior impact protection against debris and waves. Unlike competitors, our splash fins are integrated directly into the cone's structure rather than welded on, making them virtually impossible to break off while ensuring a much drier ride. This design is finished with a unique welded edge guard that eliminates sharp aluminum corners, prioritizing both passenger safety and long-term durability.

SHIELDED STRENGTH: THE STRATEGIC ADVANTAGE OF IN-DECK NOSE CONES

By tucking the nose cone tips beneath the heavy-duty deck trim, Legend ensures the deck strikes the dock first, shielding the pressurized pontoons from direct impact and puncture. This recessed placement prevents “spear-heading” accidents while maintaining a clean, aerodynamic profile that protects critical weld points from unnecessary stress.

ROBUST CONSTRUCTION

This solid frame construction includes a double bolted transom, double solid full risers that are all connected together with double bolted 0.125” hat-channel crossbeams on 2-tube pontoon models or .190” hat-channel crossbeams on 3-tube pontoon models. We use .250” U-bars at the bow and stern for unbeatable strength.

TRIPLE-PROTECTED TUBE DESIGN

Our pontoons are divided into three separate compartments and sealed, making them air tight even in the event of a puncture. If the air can't get out, water can't get in.

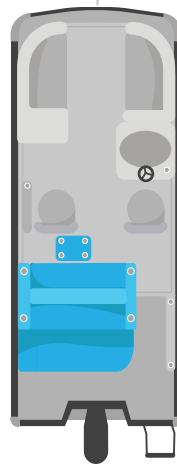

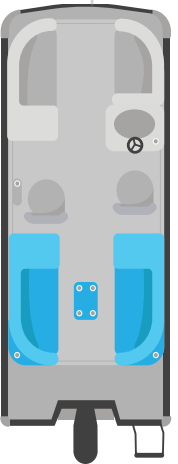

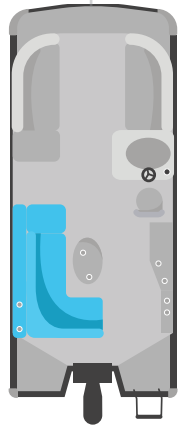

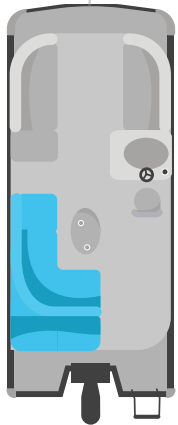

2026 Q SERIES FLOOR PLANS

With five versatile layouts, Cruise, Rear Sofa Shift, Rear Fish, Quad Lounge and Convertible Rear Lounge, customers can choose the perfect setup for their adventures. Whether they’re casting a line, relaxing in the sun, or cruising on the lake, our pontoons offer a comfortable and enjoyable experience for everyone. It’s all about creating special moments with loved ones on the water.

WANT MORE SPACE? MAKE IT AN EXT.

Add 2’ to your pontoon with an extended front deck, including two removable fishing chairs with seat sliders. There’s no need to compromise between family time and fishing time. Get more space, more capacity and more flexibility with an EXT.

Upgrade for only \$999

WHICH CONFIGURATION IS RIGHT FOR YOU?

By breaking down the standard pontoon boat layouts, it will help you filter down to the pontoon that is best suited for your needs. No matter your preference, there’s a Legend Pontoon just for you.

C Cruise

Features two front couches, an L-shaped rear couch with table, and a large rear sundeck for comfortable lounging.

RSS Rear Sofa Shift

Features two front couches, an L-shaped convertible rear lounge that easily shifts from forward facing to rear facing. One seating area serves multiple purposes. Face forward while cruising or flip the lounge to watch swimmers, keep an eye on the kids, or relax while fishing.

RF Rear Fish

Features a rear fishing station with dual fishing chairs, an L-shaped couch and two front couches.

QL Quad Lounge

Features four full-length chaise lounges in an open, balanced floor plan. Every passenger gets a real seat, not a compromise. The quad lounge maximizes usable space while keeping clear walkways and great sightlines throughout the boat.

CRL Convertible Rear Lounge

Features front chaise lounges, driver and passenger sport captain’s chairs, oversized dinette table and a convertible 4-position rear lounge. This layout offers ultimate flexibility.

The Ultimate Cruise Layout.

With forward-facing lounges, a wide walk-through, and a spacious rear sun deck with integrated changeroom and storage, the Q 21 C delivers the pure pontoon cruising experience. Open, comfortable, and beautifully balanced from bow to stern.

ACCESSORIES

PONTOON COVERS

EXTEND YOUR BOATING SEASON.

Add an enclosure to any Legend pontoon and extend your boating season. Our quality enclosures will keep you warm and dry, protect you from the sun, help keep the bugs out and even let you go camping for the weekend.

FULL ENCLOSURE[†] From \$5,499

Be comfortable. Be protected. Stay cleaner and drier with our custom full enclosure. You can stand tall and move around freely from front to back, regardless of weather conditions.

A double bimini top as well as a full curtain package is included. Side screens let the breeze in and keep the bugs out.

Available for the following models:

LE 21 QL Premium Edition
Q 21 RF
Q 21 RSS
Q 23 CRL

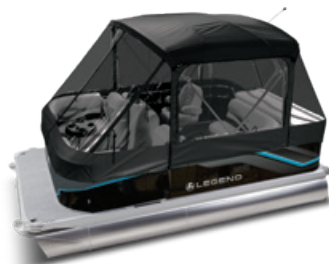

3/4 ENCLOSURE[†] From \$3,999

Compact pontoon boats deserve an enclosure that is big on features. This 3/4 enclosure has a sloping curtain that extends all the way to the front and offers full visibility. The side and rear curtains complete the enclosure to protect you and your family from the elements.

Available for:

LE 17 RS

PROTECT YOUR PONTOON BETWEEN ADVENTURES.

Add a mooring cover to any Legend pontoon to shield your boat from the elements when docked. Our high-quality mooring covers ensure your pontoon stays clean, dry, and ready for your next adventure.

PONTOON MOORING COVER[†] From \$2,399

Designed to cover your new Legend pontoon from front-to-back, our pontoon mooring covers protect your interior from damaging elements while moored at the dock or while at rest on the trailer. Adjustable support poles prevent water from pooling on the cover.

Easily installed, this cover snaps around the perimeter of the fence and is tailored to work around the bimini frames. These covers are built with separate front-deck and rear-deck covers for extra protection from the elements.

Available for the following models:

All LE Series
All Q Series

[†] Not to be used for winter storage or during trailering.

* Installation, freight and taxes extra on all prices. Prices and specifications are subject to change or error. Installation takes approximately 2-3 hours. Ask your local Legend dealer for complete details.

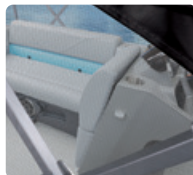

WIND, RAIN AND SUN PROTECTION.

Crafted for Lasting Durability

SYNTHETIC TOP CONSTRUCTION

You'll be protected rain or shine with our all-synthetic, tear-resistant bimini top construction.

BUG SCREENS WITH ROLL DOWN WINDOWS

Bug screens are included to let the breeze in and keep the bugs out.

STRONG 1 1/4" SQUARE TUBING AND ALL-METAL FITTINGS

Unlike weaker plastic fittings, metal ones won't crack, break, or wear out.

ALL SNAPS ARE INSTALLED THROUGH THICK LEGEND PROTECH MATERIAL

Our strong material provides a solid fastening point as opposed to plastic, which snaps could tear through easily.

DOUBLE STITCHING

All main zippers are double-stitched to provide lasting quality in the areas that receive the most stress.

LEGEND GLIDE-ON PONTOON TRAILERS

Open your horizons and add adventure to your boating season by exploring all of the lakes in your area. Hit the road with one of our custom pontoon trailers that make loading and towing amazingly easy.

SCAN BEFORE IT'S TOO LATE! LEARN HOW THIS INVISIBLE SHIELD PROTECTS YOU.

5|10|LIFETIME WOWRANTY

A warranty that makes you say WOW!

We've always set the standard with our industry-leading structural warranties on tubes, decks and transoms. But we don't stop there. While most manufacturers offer just one year of coverage on "everything else," Legend's 5 | 10 | Lifetime WOWranty provides from five to ten times the protection.

From your upholstery to your electronics, we've got you covered, leaving you more time to focus on making memories, worry-free.

For more details, visit
www.legendboats.com/wowranty

Lifetime Tube, Deck, and Transom Warranty

Our Lifetime Structural Warranty provides peace of mind for as long as the boat remains with the original purchaser. It includes lifetime parts and up to 10 years of labour coverage. This covers structural failures of the pontoon tubes, cross-channels, seat frames, motor mounts, structural railing portions, and wood decking caused by defects in materials or workmanship.

Legend ProTech 10 Year Canvas and Bimini Frame Warranty

This industry-leading warranty protects against manufacturer and material defects for all standard mooring covers and bimini tops. Coverage includes both parts and labour for a full 10 years.

10-Year Vinyl and Upholstery Warranty

Our Vinyl and Upholstery Warranty protects against defects in materials and workmanship, offering coverage for both parts and labour for a full ten years. This warranty applies to vinyl upholstery and flooring vinyl and covers failures caused by abnormal fading, peeling, cracking, or loss of strength under normal use conditions.

5-Year Tech, Electronics and Fibreglass Warranty

This warranty covers factory-installed electronic and fibreglass components, including navigation, audio, helm electronics, wiring, lighting, and structural fibreglass parts, for 5 years. That's 5 years of worry free boating!

3-year Mercury Warranty

Every Mercury 4-stroke outboard is backed by a 3-year standard limited warranty for total peace of mind. Ask us about our ToyProtection Plan to extend your factory coverage for up to 6 years.

Legend Glide-On Trailer Warranty 5+1 Year

Every Legend Glide-On trailer by Shoreland'r is backed by a 5-year frame warranty and a 1-year "tongue-to-tail light" comprehensive warranty.

The Legend Time Capsule

Introducing the Legend Time Capsule, a new and exciting addition to our annual catalogue! At Legend Boats, our mission has always been to Create Memories, and this year, we've found a unique way to celebrate those cherished moments. The Time Capsule is more than just a page in our catalogue; it's a tribute to the incredible experiences our valued customers have had on the water, a way to connect our community, and an inspiration for new adventures.

Scan the QR code to experience some of these first-hand!

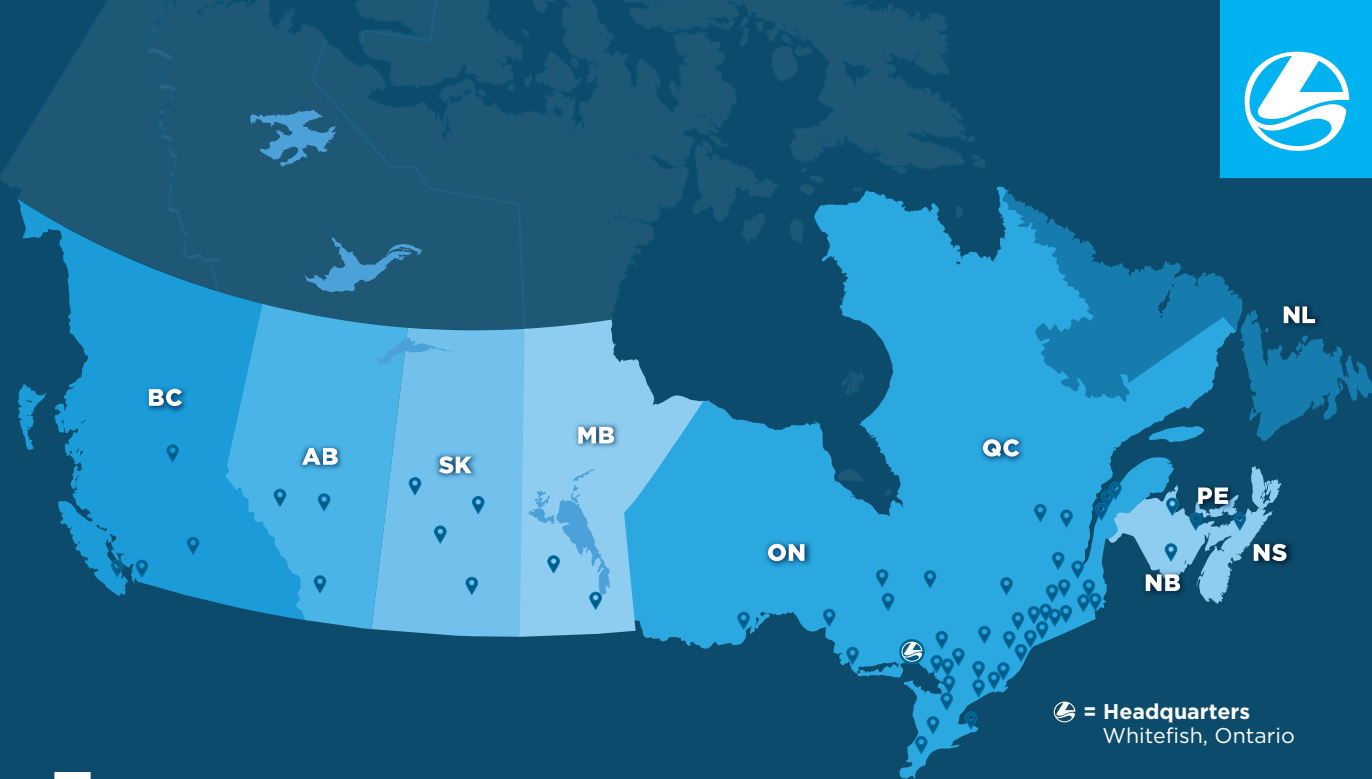

Contribute to next season's capsule!

Scan the QR code or visit legendboats.com/memory-share

With a rapidly growing Partner Network, Legend is taking Canada boating!

Freight Charges by Zone.

Zone	ON, QC	MB, NB, PE, NS	SK	AB	BC	NL
16' to 22' Pontoons	No Fee	\$1,350	\$1,600	\$2,250	\$2,600	\$4,200
23' to 26' Pontoons	No Fee	\$1,700	\$2,050	\$2,800	\$3,250	\$5,250

*We only print one version of our catalogue for all of Canada. Customers outside of Ontario and Quebec will have a small fee for freight. Visit us at legendboats.com for your local, ALL-IN, No-Fee Price including current promotions and current premium package pricing.

No Fee Setup and Orientation

All of the components of your pontoon boat and motor package have been specially chosen for compatibility. The professionals at your authorized Legend Dealership will help you to select the proper motor and options for your package. They will then prepare your package to ensure proper and worry-free operation. All this, at no additional charge to you, thanks to our All-In Pricing.

The setup includes the following items: control box, shift cables, cranking battery, aluminum propeller, outboard installation and set-up. Your dealer will prepare your package and give you a full orientation to ensure trouble-free boating from day one.

* Freight charges outside of Zone 1 (Ontario and Quebec), licenses, and taxes are extra on all prices. Delivery is available at an additional cost. Payments are calculated with licenses, bank registration charges, and taxes as your down-payment at 8.99% over 1,040 weeks for amounts \$23,000 and higher, 9.99% over 780 weeks for amounts between \$10,000 and \$22,999, and 9.99% over 364 weeks for amounts less than \$10,000 (at time of printing). All financing is OAC. Payments will vary by province. All Choose your power prices are in addition and only available with the purchase of the specific package they are listed with; they are not stand alone motor prices. Towing weights are approximate and are calculated based on a full tank of fuel and 200 pounds for batteries and gear. Speed tests were done with 2 persons, 50 pounds of gear and proper weight distribution. Actual performance may vary. Prices, rates and specifications are subject to change or error. Pictures may show options. Ask for complete details. All illustrations, photographs and specifications in this catalogue are based on the latest product information. See actual boat for complete accuracy. Legend reserves the right to make changes at any time, without notice, in prices, colours, materials, equipment, specifications and models, and to discontinue models or equipment. For information on accessories, contact your local Legend dealer.

Please refer to your provincial laws regarding trailer brakes and ensure that your boat package and tow vehicle comply with the regulations in the provinces you intend to travel in. Brakes may be required in certain circumstances and can be purchased as an option or your trailer model can be upgraded before delivery if brakes are not available on certain trailers. It is your sole responsibility to ensure you comply with all provincial brake requirements for vehicles and also that you always operate your tow vehicle safely. Legend Boats accepts no responsibility with regards to provincial compliance.

At legendboats.com, you'll find a fully-priced electronic version of our catalogue as well as additional pictures and special offers. Always distribute passengers and cargo evenly, wear a PFD and follow the rules for safe boating. Visit: www.tc.gc.ca/boatingsafety

Choose Your Power.

Ask your Legend dealer to help you select the Mercury outboard that best suits your needs from the motor choices below. Use the chart that corresponds with the standard engine packaged with your boat model. Simply add the amount to the standard package price to have the motor that is perfect for you.
